SPEEDING TRAFFIC CONCERNS ON HILLTOP DRIVE BETWEEN APPLETON AVE. AND MEQUON RD., AND ON WILLOW CREEK RD. – POLICE DEPARTMENT: Snow advised that officers were directed to set up traffic posts in these areas and log the dates/times/violations. Members of the Citizen Police Academy also observed traffic on 3 different dates and logged their findings. Snow stated that overall the average speed limits were under 40 mph. He added that the department was not ready to make a recommendation for any changes at this time and would continue to monitor the areas of

concern. Myers requested that the locations where CPA members were observing traffic be included with their numbers. Trustee Zabel noted that Appleton Avenue is still under construction and not open to through traffic, and should be opening back up when the roundabout has been completed. Warren stated that the traffic patterns in these areas do not reflect the typical traffic pattern because of the road construction projects. He felt that this matter should be reexamined when the construction is complete. Hughes advised the police department should continue to monitor these areas and this item would be brought back for the November meeting under Unfinished Business.

PURCHASE OF SIX (6) AUTOMATED DEFIBRILLATORS – POLICE DEPARTMENT: Snow advised that the department was requesting to purchase six defibrillators to replace six outdated units that can no longer be repaired. He recommended that the purchase be made through SOS Technologies for six Philips Heartstart FRX Defibrillators for \$9005.16 which is under budget, using account 10-521-570-8100.

A motion was made by Myers, seconded by Campbell, to forward this purchase request to Village Board with a recommendation of approval for the purchase of six Philips Heartstart FRX Defibrillators from SOS Technologies for \$9005.16, using account 10-521-570-8100. Motion carried unanimously.

**RE: Walmart #1515 - W190 N9855 Appleton Avenue
Change of Premises for Alcohol Beverage License**

Dear Ms. Goeckner:

Quarles & Brady serves as legal counsel for Walmart with respect to alcohol beverage licensing in Wisconsin. Walmart is launching an online grocery pickup service in select stores in Wisconsin. Customers using this service will be able to place an order online and provide a credit card to hold the order. The customer will then come to their local Walmart store to complete the payment and pick up the order at either a pickup canopy or a dedicated parking space.

Walmart would like to offer customers who shop at their Germantown store the opportunity to include alcohol beverages in an online order. We have contacted the Department of Revenue, which has confirmed that this is permitted under Wisconsin law. Per Tyler Quam, Special Agent with the Department, an online grocery order may include alcohol beverages if payment is made at the store and the customer's age is verified by an employee licensed to sell alcohol beverages in a face-to-face transaction that occurs within the licensed premises. Walmart, therefore, is seeking to amend the premises description in its current license to include the pickup location (canopy or dedicated parking space), as follows:

Entire building is 1 room, 1 story approximately 103,073 sq. ft. of which 1,464 sq. ft. located in the tenant area at the front of the store is for the display and storage of alcohol beverages; product is also displayed throughout the premises; sold at in-store registers and stalls in parking lot specifically designated for online grocery pickup.

We have enclosed an Original Alcohol Beverage Retail License Application, a site map and floor plan for the Germantown Walmart store showing the location of the canopy or dedicated parking spaces, and a check in the amount of \$20 in payment of the publication fee.

We are aware that this change will require approval of the Public Safety Committee and the Village Board. We request that this proposed amendment be considered at the next upcoming meeting, and would be pleased to make a Walmart representative available upon request at this meeting to answer questions.

Please let us know if you have questions or require additional information
