July 7, 2021

Village Board Room

CALL TO ORDER: Trustee Baum called the meeting to order at 5:05 p.m.

ROLL CALL: Chm. Baum, Trustee Member Neureuther, Member Nilles, Dir. Ratayczak, and Deputy Clerk/Deputy Treasurer Smith.

PREVIOUS MINUTES:

MOTION made by Trustee Nilles, seconded by Neureuther to approve the Minutes of June 9, 2021. Motion carried unanimously.

WATER TOWER COLOR SELECTION:

Discussion commenced with Director Ratayczak presenting examples of potential water tower designs in comparison to the Village's current water tower design. Chairman Baum revisited what his thoughts were about the design and the need to mask the mold and algae growth on the bottom of the water towers over time. Fonts and logo ideas were considered. The committee advised Director Ratayczak to gather final concept designs based on color discussion from the water tower painting company and to send out for final approvals before forwarding the process to the Plan Commission.

No meeting was scheduled at this time.

ADJOURNMENT: There being no further business, the meeting was adjourned at 5:37 p.m.
