The letter noted that the common area named in the premise extension paperwork is owned jointly by the unit owners of that property, and any extension of any premise within the 5 units noted in the letter must be approved by the Village Plaza Condo Association LLC. FIREWORKS USER PERMIT APPLICATION FOR CELEBRATE GERMANTOWN WI INC, JULY 4, 2022, FIREMEN'S PARK, W162 N11870 PARK AVENUE, WOLVERINE FIREWORKS DISPLAYS: a motion was made by Pieper, seconded by Miller, to forward this application from Celebrate Germantown WI Inc. to Village Board with a recommendation of approval for a fireworks user permit on July 4th. Motion carried unanimously.

FIREWORKS USER PERMIT APPLICATION FOR DAN BENNING, JULY 30, 2022 AT 9:00PM, HOMESTEAD HOLLOW COUNTY PARK, N120 W19809 FREISTADT ROAD, J&M DISPLAYS: Delain advised he has concerns with this request which is taking place at Homestead Hollow Park with the fireworks display over a wooded area of the park. Delain stated he would like the following conditions agreed to prior to approval given:

1. In case of severe drought per NOAA (D2), display would be canceled.
2. (1) Brush truck and (1) ambulance must be standing by on-site in case of fire or emergency. The cost for the crews to be paid by the rental party. (\$116 per hour for brush truck, \$41 per hour for ambulance, \$23 per hour per person).
3. Rental party must meet with Fire Chief 3 days before event to confirm a site plan and emergency evacuation plan.
4. Event can be canceled at any time if there are safety concerns.

Delain added that this event had already been approved by the County since it is taking place in a county park, but still needs Germantown's approval since it will be occurring within the Village's jurisdiction.

Discussion followed with the following items brought up:

- Delain advised the fireworks presentation would last about 15 minutes
- Hudson questioned whether the fire department would have adequate staffing to cover this event
- Delain stated he had not met with the requestor yet, he was made aware that the group in charge of the fireworks were professionals
- Delain also advised that the location for the fireworks was agreed to by the County Parks system who did not want to change the location due to potential damage to the dog park and sports field

A motion was made by Pieper, seconded by Miller, to postpone discussion on this item until the July Public Safety Committee Meeting to give Chief Delain an opportunity to discuss this with the requestor. Motion carried unanimously.

BRAMA'S PIZZA EXTENSION OF PREMISE, BRAMA'S PIZZERIA LLC, CARRIE WEGNER, N116 W12831 ELM LANE, D/B/A BRAMA'S PIZZERIA, N112 W16700 MEQUON ROAD, COOLERS AND BAR AREA LOCATED ON THE WEST WALL, REAR OF RESTAURANT IN LOCKED STORAGE ROOM/OFFICE; PARKING LOT AREA IN FRONT OF RESTAURANT: Hudson advised that due to the earlier concerns expressed in the letter from the Village Plaza Condominium Association, he would like to make a motion to see this item tabled until the committee hears further from the Association. J. Miller seconded the motion, stating that the Committee should hold off on a decision until the Association has agreed to the terms of the premise extension.

Discussion followed with Clerk Braunschweig advising the committee that this agenda item for the premise extension would be valid during the current renewal period which ends this month on June 30, 2022. She added that the next premise extension request on the agenda under item J is for the next year's license. Braunschweig remarked that her understanding would be that this outside premise extension would be used for car shows that the business would be hosting.

Hudson stated he would like to amend his motion and recommend denial of this premise extension request by Brama's. Amended motion seconded by Myers and failed 1-3 with Hudson voting aye.

A new motion was made by Pieper to forward this request to Village Board with a recommendation of approval. Motion was seconded by J. Miller and carried 3-1 with Hudson voting nay.

DENIAL OF OPERATOR LICENSE – MARIA GUEVARA: Marie Guevara was present and stated she had misread the application and failed to write in her arrest history, she asked the committee to consider granting her the license due to this job being her only source of income at this time.

Discussion followed with Snow advising the department was obligated to recommend denial of the license due to omission of information on the application which is clearly indicated on the form.

A motion was made by Pieper, seconded by Hudson, to forward this application to Village Board with a recommendation of approval for granting the license to the applicant, Ms. Guevara. Motion carried 3-1 with Myers voting nay.

POLICE DEPARTMENT – PURSUIT INTERVENTION TECHNIQUE VIDEO: Snow advised this item was placed on the agenda for informational purposes, he wanted the committee to know that officers are being trained to use the Pursuit Intervention Technique (PIT) maneuver. He explained the PIT Maneuver is usually performed during low speed pursuits and is not appropriate for all pursuit cases. A recent pursuit in the Village was ended by WI State Patrol using the PIT Maneuver.

Video of this incident was played for the Committee. Snow stated the officers of Germantown would be all trained in the PIT Maneuver this month.

FLOCK CAMERA EXPANSION – POLICE DEPARTMENT: Snow advised he was looking for approval to lease five additional Flock Cameras in addition to the six that are already in place within the Village. He added that four of the cameras would be stationary and one would be a flex camera which has the ability to be moved.

The four stationary cameras would come at a cost of \$2500 each with \$350 installation fee, the flex camera would cost \$3000, total purchase amount of \$14,400.

Pieper questioned where the funding would come from for these cameras, Snow said the department would cover the cost for one camera and the rest would be covered by donations and grant reimbursements. Pieper stated she would like to see a notice put out to the public to see if there is any interest in donations, Snow advised that Flock has agreed to assist with donation recruitments.

A motion was made by Pieper, seconded by Hudson, to approve the request for the leasing of five additional Flock cameras. Motion carried unanimously.

REQUEST FORM

I, Trustee Jolene Pieper hereby request that the following item(s) be placed on the next agenda of the Public Safety Committee, for consideration and action:

ITEM REQUESTED:

"No Parking" sign erected on Esquire Ct.
in front of the sidewalk to the community
area entrance.

DISCUSSION/REASON:

There is a curve in the street which inhibits
vehicle's view slightly, but when a car is parked
there, it is more so. It is the main ~~entrance~~ entryway
to the island + pool area and has been dangerous
for children entering and leaving.
