Mark and Judy Brooks of Aberdeen Drive in Menomonee Falls, came to the podium. Commented on a noise citation of an inside band. There was not a warning, but citation. Village Prosecutor dropped citation. When he built deck, he addressed with the Village for outdoor music and abide by the noise ordinance. All communication of the noise ordinance has been from the Police Department. The same person is the complainant. He has not paid any citations. June 24th a police officer came at 6 pm and listened and the noise level was not louder than the normal road level. The bands end at 9:30 pm no later than 9:55 pm at the latest due to the ordinance. Discussion ensued of a decibel reading. Discussion ensued of other premises. There were a few complaints after 10 pm.

Julie Kind, W148N12534 Pleasant View Drive, is the personal representative for her sister that owns the bar building. She came to the podium. Previous owner did have music outside.

Jason Giguere of Appleton Avenue came to the podium. He complained of the noise and has called the bar and spoke to the persons that answered the phone. It was really bad last year. He keeps his doors and windows closed due to the noise. He just wants a good neighbor.

Discussion ensued of the Bier Stube downtown.

Discussion ensued of an outdoor band. Discussion ensued of the zoning. Clarification as to what we can and cannot do based on the ordinances.

Pieper/Myers voted aye, J. Miller and Hudson voted no. Motion failed.

Director Retzlaff came to the podium. He is aware of the issue. In 2017 as related to the Bier Stube the noise ordinance was modified and the zoning code addressed the issues. At one time there were decibel levels. The ordinance changed in 2017.

Discussion ensued of rotating the band away from the residential area.

Discussion ensued of the subjection of noise level.

Discussion ensued of the issue of a bar expanding with an outdoor facility. Residents came and said they did not want to hear entertainment. This was an amendment to the conditional use permit. There was an offer to post noise decibel readings.

Mark Brooks came back to the podium. The stage faces West. Discussion ensued to turn the stage. Patrons set on the deck and the music is mostly on the deck, not on the stage. The sound is going west toward the building.

Discussion ensued of a referendum for this particular issue. An additional officer was approved by the board. Chair Myers distributed referendum information and Fire Department Personnel to the Public Safety Committee.

Chief Delain commented that there are three calls at one time, needing mutual aid. A cardiac arrest call takes ambulances and staff out of command for one call. There are additional station needs.

Chief Snow commented he has reported to the board asking for more personnel. A traffic officer was added years ago; this was absorbed to patrol. Menomonee Falls has a division to traffic.

Need to increase patrols on second shift. Morale is low due to burn out. Need to bring staffing level up. Discussion ensued of State Patrol and Washington County on 41/45. Discussion ensued of the change of dispatch. Discussion ensued of the costs involved. Discussion ensued of adequate staffing of today and five years into the future. Discussion ensued as a question to include road construction.

Administrator Kreklow commented action could be to move in front of the Village Board and a lot of work prior to referendum. There have been other communities with public safety and road referendums. And asking residents what they are willing to support.

Chief Delain commented that he is looking for 12 additional bodies. Would need station / building room or additional building. 2001 report stated four stations were needed.

Would have to budget and connect the budget to the referendum. Last year looked at the Police and Fire staffing shortages. Levy limit increase with net new construction limits the increase.

Discussion ensued of other possible fees such as public fire protection fee, vehicle fee / wheel tax, transportation utilities. Dependent on how the referendum is written it can be an additional property tax levy.

Discussion ensued that a plan and comparisons of other communities are needed.

Discussion ensued of the timing for the April Election. The Chiefs will work on the item.

The next meeting will be on August 1st.

ADJOURNMENT.

ADJOURNMENT: There being no further business, Motion (J. Miller/Hudson) to adjourn the meeting at 8:26 p.m.
