MEETING MINUTES
PUBLIC SAFETY COMMITTEE MEETING
APRIL 5, 2023
GERMANTOWN VILLAGE HALL BOARD ROOM

CALL: The meeting was called to order at 6:47 p.m. by Chairman Myers.

ROLL CALL: Chairman Myers, Trustees Hudson, J. Miller. Pieper joined the meeting while in progress via Webex.

Also present were Police Chief Snow, Fire Chief Delain, President Wolter.

PUBLIC COMMENT: Scott Hefle of W159 N10514 Old Farm Road stated he would like to compliment Trustees Pieper, Hudson, and J. Miller for their comments at last month's meeting regarding their support of additional staff for police and fire. He also referred to Chief Snow's support of the referendum and said he understood his reasoning, then summarized President Wolters comments from the meeting. He asked committee members if anyone has a solution for the staffing shortages.

Steven Wesolowski of W169 N10427 Pheasant Run spoke to the committee and stated he served as an EMS with Milwaukee for 18 years and has lived in Germantown since 1987 and has some knowledge of the history of police and fire departments. He said he would support hiring additional police officers and would like to see a separation between police and fire department hires on a referendum if there is one. He also said he has concerns with the fire department having 3 battalion chiefs, he feels that number should be reduced and the extra money used for police department staffing.

Melanie Smythe of N140 W17938 Cedar Lane discussed the contract with Mueller and said there should be a bid process done first. She added that staffing is needed in both public safety departments, and members should support an effort to work across committee lines and find funds from other departments. She suggested that the Village investigate the Waste Management issues and file for breach of contract, they could look into other bids and possibly save some money in the process. She also requested that the Village hold a 4th Committee of the Whole meeting during the budget process so everyone is clear on where all the money is being distributed.

APPROVAL OF MINUTES: a motion was made by Hudson, seconded by J. Miller, to approve the minutes of the March 6, 2023, Regular Meeting.

Motion to approve the minutes carried unanimously.

CHAIRPERSON REPORT: Myers stated he had received a request from a resident on Hilltop regarding speeding in the area and requested the speedboard be placed there to

monitor traffic. Snow advised that it has been set up there in the past, and due to its visibility, the numbers for violations were low. He added he would discuss it with staff and check on the availability of the speedboard.

POLICE DEPARTMENT MONTHLY REPORT: Snow reported on the following:

- Training section has been added to the monthly report, includes inhouse and specialty training
- Numbers have been put together for Walmart, Fleet Farm and Menards, once the ProPhoenix update has been completed, these numbers will be easier to pull from the records
- He did determine February numbers for thefts (thefts only, does not include numbers for Calls for Service) which were as follows:
 - Walmart – 39
 - Menards – 0
 - Fleet Farm – 8
- The ProPhoenix upgrade is in the last phase, and expects migration to be complete on May 2nd
- Training for the upgrade has been ongoing
- Myers asked for clarification on what aspects will be changed after the upgrade, Snow advised the areas affected include records management, computer entry, increased capability of what the system can do for the department, WDAs in squads can be utilized for more functions by officers
- Myers asked about the training report and whether it applied to new officers or all officers, Snow replied the training report covers all officers
- Staffing update includes 2 officers still in the Academy, will graduate 2nd week of May
- J. Miller asked when the reports for thefts will be done, Snow anticipates by June after customization has been done for these searches

FIRE DEPARTMENT MONTHLY REPORT: Delain reported on the following:

- Unable to complete their monthly report due to ProPhoenix updates which are creating issues with their numbers in the reporting system, rather than submit a report with possible inaccuracies, he will hold off until upgrades are completed
- Their building is getting new flooring/drain system, shipping containers have been placed in their back lot for storage of equipment and gear, anticipates this project will take until end of May
- New fire extinguisher training simulator is working out well, members can be properly trained with no mess to clean up
- They continue to see multiple calls occurring at the same time, will discuss further during the Personnel agenda item
- Police & Fire will be meeting on April 10th for battalion chief position

- Myers asked if the overhead doors had been replaced, Delain advised they are original to the building
- J. Miller asked where the trucks will be stored during the flooring process, Delain said they would be parked outside

POLICY UPDATES FOR POLICE & FIRE DEPARTMENT:

Police Department – none

Fire Department - none

OVERTIME REPORTS: Snow advised the overtime numbers are beginning to come down slightly with new officers now on solo patrol, and a dispatcher coming off field training. A new dispatcher has been hired for the open position and is currently training, so all positions with officers and dispatchers are now staffed. He added that 2 officers are still at the academy and will probably not be on solo patrol until fall.

Delain advised their overtime numbers are consistent with last year's numbers, they have been working short one battalion chief, and vacations have caused some shortages.

UNFINISHED BUSINESS:

CONTRACT WITH MUELLER COMMUNICATIONS FOR PRELIMINARY INVESTIGATIONS ON POSSIBLE PUBLIC SAFETY REFERENDUM NOT TO EXCEED \$50,629.90: Myers advised that he had discussed this item with Administrator Kreklow and it was determined that this matter would be placed on the May agenda and Mueller will make their presentation at that time.

J. Miller stated an RFP should be done for this project and asked for clarification on this and whether it should be referred to Kreklow. Myers asked President Wolter if that would be the proper course to follow, Wolter stated it should be reviewed by Village Attorney to see if an RFP is needed or if it should go out to bid. Wolter added that his meeting with the administrator and attorney for the following day had been cancelled, but he would put this item on the agenda when they next meet.

REPORT ON PILGRIM ROAD PEDESTRIAN CROSSING REQUEST: Myers advised he had gone to this location with Superintendent Anderson and checked the area of Pilgrim between County Line Road and Mequon Road and they determined there were 5 to 6 crossings and explained the crossing sign guidelines. He noted that at another pedestrian crossing at Fond du Lac and Park, there are angled lines at the crossing which makes it more visible to motorists, and asked Anderson if that kind of marking could be done on the crossings on Pilgrim. Myers stated he also talked to one of the school principals and was told that all students are bussed, and don't need to walk or cross on Pilgrim.

J. Miller noted when she talked to the principal, he had expressed concern that the signage and crosswalks on Pilgrim were not as clear as they could be, so if repainting is in the schedule, that would be an improvement.

NEW BUSINESS

COLGATE BP, N96 W21962 COUNTY LINE RD., CLASS A LIQUOR AND CLASS A FERMENTED MALT BEVERAGE LICENSE, SUMIT CHOCHAN, AGENT: Hudson indicated there were multiple errors on the license application for Colgate BP, i.e., it was filled out with Village of “Colgate”, and County of “Germantown” which were not correct. He questioned whether it should be returned for corrections. Snow advised that when the police department is given bartender applications that have been completed incorrectly, they are returned to the applicant for corrections.

A motion was made by Hudson, seconded by J. Miller, to have the application resubmitted after corrections have been made. Motion carried unanimously.

BLAZER DASH 5K RUN/2 MILE WALK, MAY 20, 2023, BETHLEHEM LUTHERAN, KRISTIN MILLER – RACE DIRECTOR: a motion was made by J. Miller, seconded by Hudson, to forward this application for the Blazer Dash 5K Run/2 Mile Walk on May 20th to Village Board with a recommendation of approval. Snow and Delain advised there were no objections from the police and fire departments. Motion to approved carried unanimously.

USE OF ALL-TERRAIN VEHICLES ON VILLAGE ROADS, WI STATE STATUTE 23.33(11)(a) Counties, towns, cities, and villages may enact ordinances regulating all-terrain vehicles and utility terrain vehicles on all-terrain vehicle trails maintained by or on all-terrain vehicle routes designated by the county, city, town or village: Trustee Rick Miller advised that he and Trustee Pieper had cosigned on this agenda item, and she was currently unable to access the meeting via Webex. He said this item had been brought to their attention by residents who would like to see the Village approve of the use of ATVs on village roadways. He advised that there would need to be ordinance changes and routes would need to be posted. R. Miller added that Tim Rohrer, President of the Kettle Moraine ATV Association, was present and had provided some information for the committee regarding what steps the Village would need to take if they were to approve this item.

Discussion followed with Mr. Rohrer answering questions from the committee regarding ATV use in other communities and whether it had presented any issues. Discussion included the following:

- Hudson advised he had not reviewed all the information and questioned whether this would include all village roadways or just specific areas of the Village
- R. Miller said he had discussed this agenda item with Pieper and there were some residents who had expressed an interest in this, the packet has some good information in it with sample ordinances, he noted it would be up to the Committee to determine if this is an item they wish to pursue and what routes would be appropriate for ATV travel
- Myers stated he received some feedback from residents, he checked with the County and they advised against ATV travel on county roadways
- J. Miller questioned the speed of the ATVs and posting of trails, there was discussion of the trails and what restrictions they have regarding ATVs, as some trails are also for bicycles and pedestrians
- Hudson referred to the map in the packet of proposed areas of travel for ATVs and said he would not approve the areas marked for travel; R. Miller agreed that the map would need to be refined
- J. Miller asked Chief Snow for a comment; he said he had talked about this with the other Chiefs and Sheriff in Washington County, he was told that some who were hesitant in the beginning had found there were no problems. Snow added that there would need to be conversations on which roads ATVs could travel on

Pieper was able to join the meeting via Webex at this time and made a motion to forward this item to Village Board with a recommendation of approval. Motion was seconded by J. Miller. Discussion followed with Hudson advising he would not support this item because of the roads marked on the map for ATV travels, he would like to give this matter careful thought and would like to see a workable map before supporting the idea of permitting ATVs on village roadways. Myers added that there is no plan currently in place for this idea, there would need to be ordinance changes and roadways approved for ATV travel; however the committee could approve the concept of this plan and forward to the Board. J. Miller added that she has not had a chance to thoroughly review the paperwork provided, but she would agree to having the concept approved by Village Board and then bring this item back to Public Safety to work on the details. Motion by Pieper failed, 1-3 with Myers, Hudson, and J. Miller voting nay.

Pieper made a new motion to forward this item to Village Board to gather their consensus to see if this is something that they would be willing to entertain and then send back to Public Safety to formulate a concrete map which would then be sent to Village Board for approval. Motion was seconded by Hudson and carried unanimously.

POLICE AND FIRE PERSONNEL FUNDING FOR 2023/2024: J. Miller presented a handout to committee members which addresses the goal of finding funding for police and fire department positions for 2023 and 2024. She stated this matter was discussed at last month's meeting, and President Wolter had recommended that the Public Safety

Committee research where funding could be found for additional positions in the police and fire departments. J. Miller made the following suggestions:

- Use Public Fire Protection Fee – switch the PFP fund from General Fund to Water Utility = \$537,000
- With approval from Public Safety and Village Board, the \$537,000 redirected to the Water Utility Fund, the Village would need to raise the PFP fee from \$2.13 to approximately \$15.00, about a \$13.00 increase quarterly on the utility bill, or a \$52.00 increase per year per customer
- Public Safety would determine PFP charge, that charge would be divided between water utility users based on meter size, current PFP total is approximately \$600,000 with \$537,000 being paid from General Fund to Water Utility. PFP fee will increase when water tower is completed, PSC would determine the PFP charge which would be split between water utility users based on meter size

J. Miller stated this process would begin to address the needs for funding additional personnel, it would not take money from other departments.

Myers thanked J. Miller for her presentation and advised this item would be placed on next month's agenda for further discussion.

Wolter stated there had been prior discussion on this matter by Village Board, there was discussion about capping that fund and giving any increase to water utility, there was some dissent about raising rates after rates had already been increased, but it could be brought forward again for reevaluation.

J. Miller noted that if this item goes to referendum it would result in tax increases which are already being affected by the new DPW construction.

NEXT MEETING: Myers advised that next month's meeting will be held on Monday, May 1, 2023, at 6:00 p.m. in the Village Hall Boardroom.

ADJOURNMENT: there being no further business, the meeting was adjourned at 8:05 p.m.

RECOMMENDATION:

ACTION BY Committee:

The background of the entire page is a stylized American flag. It features a black field filled with numerous white, five-pointed stars of varying sizes. Overlaid on this field are several broad, wavy stripes in white and a vibrant blue. The stripes flow diagonally across the page, creating a sense of movement and patriotism.

GERMANTOWN FIREMEN,
POLICE, PARAMEDICS, AND
AMBULANCE DRIVERS,
ON THE EVENING OF FRIDAY
MARCH 31st MY WIFE CALLED
911. I'M NOT SURE WHO
ARRIVED AND WHO DID
WHAT, BUT I'M VERY
THANKFUL FOR YOUR
EFFORTS BECAUSE YOU
SAVED MY LIFE. I
WAS DIAGNOSED WITH A
HEART BLOCK AND NOW
HAVE A PACEMAKER.

NONE OF THIS WOULD
HAVE BEEN POSSIBLE
WITHOUT YOUR LIFE
SAVING EFFORTS.

Thank you

Questions/Discussion

GOAL - FIND FULL FUNDING FOR THE Police and Firefighters 2023/2024

Proposal: Use Public Fire Protection Fee:

Step 1: Apply to PSC to switch the PFP Fund from General Fund to Water Utility = \$537,000 current.

Step 2: With PSC approval/ Village Board approval the \$537,000 is redesignated to the Water Utility Fund the Village of Germantown. The Village of Germantown will need to raise the PFP Fee from \$2.13 to about \$15.00 = @\$13,00 Quarterly increase on the Utility Bill. The approximate increase is \$52.00 per year per user.

The PSC determines the PFP charge and then that charge is split between the water utility users based on meter size. The current PFP total is roughly \$600,000 with \$537,000 being paid from the General Fund to the Water Utility. The PFP fee will increase once the water tower is completed. The PSC determines the PFP charge and then that charge is split between the water utility users based on meter size.

Objectives from Chief Snow and Chief Delain:

- a. Raise Morale
- b. Keep Germantown Residents Safe
- c. Keep the Police & Firefighters Safe

Immediate Need:

- a. Police 2 + 1 Squad Car = @\$270,000
- b. Firefighters 3 = \$300,000

Create a WIN – WIN situation for the Community and Police & Firefighters:

- a. This Proposal for PFP does not cut any services to anyone.
- b. Guarantees the P&F will obtain the help that they need now.
- c. Look for 2024 Budget cuts.

Q&A - ???

Respectfully submitted by Jan Miller – Germantown Village Trustee – District #4

## **BUSINESS OF THE PUBLIC SAFETY COMMITTEE**

MEETING DATE: May 15, 2023

PLACEMENT: Action Item

ITEM TITLE: Sergeant Position

SUBMITTED BY: Mike Snow, POLICE CHIEF

### SUMMARY EXPLANATION:

In 2020, I presented a plan to implement a revised command structure in the police department. Part of the plan was to add patrol sergeants to the shifts while reducing the number of lieutenant positions from six to three. This would allow the lieutenants to focus on administrative tasks while allowing patrol sergeants to supervise the road.

For the past twenty years, the responsibility of 24-hour supervision has been provided by the six lieutenants. Although they are salaried positions and considered exempt, they routinely worked 12-hour shifts. The sergeant's position will help alleviate this burden.

The cost would be the difference between the top patrol officer's salary and the starting sergeant's salary. The difference would be about \$7,805.93 for the year. If the promotion is made in June, it would be about \$3,903 for 2023. We currently have the salary from the officer's vacated position that will go unfilled for at least a couple of months.

### ATTACHMENT:

### RECOMMENDATION:

Create a sergeant position using funds from the salary of a vacated officer position.

## Additional Information

### May be Granted and Issued only to:

- (1) Bona fide clubs that have been in existence for at least 6 months prior to the date of application.
- (2) State, county, or local fair associations, or agricultural societies.
- (3) Church, lodge, or society that has been in existence for at least 6 months prior to the date of application.
- (4) Posts now or hereafter established of ex-servicemen's organizations.
- (5) Chambers of commerce or similar civic or trade organizations.

### Application:

- (1) Filing: In writing, for each event, on Form AT-315.
- (2) The local licensing authority may act on application or authorize an official or body of the municipality to issue the license. (ss. 125.28(1) and 125.51(1)(a), Wis. Stats.)
- (3) The written application shall be filed with the clerk of the municipality in which premises are located:

#### Class "B" (Beer):

- a. The governing body shall establish any waiting period before granting of a license for events lasting less than 4 days (s. 125.04(3)(f), Wis. Stats.)
- b. At least 15 days prior to the granting of the license for events lasting 4 or more days.

#### "Class B" (Wine):

The application shall be filed with the clerk of the local municipality in which the event will be held at least 15 days prior to the granting of the license.

- (4) Seller's Permit: Sec. 77.54 (7m), Wis. Stats., provides an exemption from Wisconsin sales and use taxes relating to certain sales by a nonprofit organization. Check the box if your organization qualifies for the exemption and therefore is not required to hold a seller's permit.
- (5) Publication: Not required.

**Fee:** Determined by the municipality, but may not exceed \$10. (Exception: No additional fee may be charged if organization is applying for both a Temporary Class "B" and a Temporary "Class B" license for the same event.)

**Duration:** The day, or consecutive days, that the specified event is in progress. A municipality may issue up to 20 licenses to the same licensee for a single event, if each license is issued for the same date and time.

### Restrictions:

- (1) License may not be issued to individuals.
- (2) Licenses to organizations, other than ex-servicemen's organizations, can be issued only for a picnic or similar gathering. They may not be issued for business or social meetings of the organization.
- (3) Licenses for club or organization meetings may be issued only to ex-servicemen's posts.
- (4) License may cover either a specified area or the entire picnic grounds.
- (5) License issued to a county or district fair must cover the entire fairground (ss. 125.26(6) and 125.51(10), Wis. Stats.)
- (6) No license to clubs having any indebtedness to any wholesaler for more than 15 days for beer (s. 125.33(7), Wis. Stats.) and 30 days for wine (s. 125.69(4)(b), Wis. Stats.)
- (7) Licensed operator(s) must be present at all times (ss. 125.26(6), 125.32(2) - Beer; 125.51(10), 125.68(2) - Wine; 125.17)
- (8) The licensed club, club members, or any other persons are not permitted to possess intoxicating liquor on licensed premises on the Temporary Class "B"/"Class B" licensed picnic area. (s. 125.32(6), Wis. Stats.)
- (9) Not more than 2 wine licenses may be issued to any club, county or local fair association, agricultural association, church, lodge, society, chamber of commerce or similar civic or trade organization or veterans' post in any 12 month period. A municipality may issue up to 20 wine licenses to the same licensee if: 1) each license is issued for the same date and times, 2) the licensee is the sponsor of an event held at multiple locations within the municipality on this date and at these times, 3) an admission fee is charged for participation in the event and no additional fee is charged for service of alcohol beverages at the event, and 4) within the immediately preceding 12-month period, the municipality has issued these multiple licenses for fewer than 2 events. In addition, each event for which multiple licenses are issued shall count as one license toward the 2-license limit.
- (10) Licensed organizations must purchase their product from a licensed wholesaler.

**NOTE:** Most coolers presently on the market have a fermented malt beverage base allowing sale under a beer license, e.g. Bartles and James, Seagrams, etc.

RE: **An Ordinance to Create Section 7.14(6) of the Germantown Municipal Code Relating to Impoundment of Vehicles Used in Certain Reckless Driving Offenses.**

---

### **Background**

Incidents of reckless driving have become exceedingly more prevalent in southeast Wisconsin in recent years. At various governmental levels discussions have been had and programs have been implemented that are aimed at combating this growing problem and the damage and injuries that result from it.

Most recently, a call for action, spearheaded by Milwaukee Mayor Cavalier Johnson and Governor Evers, resulted in the State Legislature enacting 2023 Wis. Act 1 at the beginning of April giving local governments the authority to impound vehicles of certain habitual reckless driving offenders. The primary purpose of this legislation is to reduce incidents of reckless driving and heighten penalties for repeat offenders.

### **Discussion**

Wisconsin Statute § 349.115, created by Act 1, allows municipalities, by ordinance, to impound any vehicle that is used in the commission of reckless driving at the time of issuing a citation for the offense if (1) the person cited is the owner of the vehicle; (2) the person has a prior conviction for reckless driving; and (3) the forfeiture imposed on the prior conviction has not been paid in full.

Wis. Stat. § 349.115 gives specific guidance for how municipalities can choose to regulate when an impounded vehicle may be returned to the owner. Specifically, the ordinance may provide that once a vehicle has been impounded, the owner may not retrieve the vehicle until the prior forfeiture and reasonable costs of impounding the vehicle are paid in full.

While the problem of reckless driving in Germantown is not as significant as it is in the City of Milwaukee, incorporating these provisions in the Village's Code helps ensure that the problem doesn't spread to the Village.

**Recommendation**

A motion to forward the proposed ordinance to the Village Board for approval, or such other action as the Committee deems necessary and appropriate.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE CREATING SECTION 7.14(6) OF THE  
MUNICIPAL CODE OF THE VILLAGE OF GERMANTOWN RELATING TO  
IMPOUNDMENT OF VEHICLES USED IN CERTAIN RECKLESS DRIVING  
OFFENSES**

---

WHEREAS, Wis. Stat. § 349.115 authorizes the Village to impound any vehicle used in the commission of certain reckless driving offenses; and

WHEREAS, the Village Board possesses broad legislative authority under Wis. Stat. 61.34; and

WHEREAS, the Village Board finds that reckless drivers present dangers to pedestrians, bicyclists, drivers, and others on roads and sidewalks; and

WHEREAS, the serious nature of reckless driving compels increasing penalties for habitual offenders to protect the community's health, safety, and welfare;

NOW, THEREFORE, the Village Board of the Village of Germantown do ordain as follows:

SECTION I:                      Section 7.14(6) of the Municipal Code is created to read as follows:

**7.14(6)                      IMPOUNDING VEHICLES FOR CERTAIN  
RECKLESS DRIVING OFFENSES.**

(a)                      Impoundment. At the time of issuing any citation for a violation of Wis. Stat. § 346.62, as adopted under sec. 7.01, a law enforcement officer may impound any vehicle used in such violation if the person cited is the owner of the vehicle and the person has a prior conviction for a violation of Wis. Stat. § 346.62, or a local ordinance in conformity with that section, for which a forfeiture was imposed that has not been fully paid.

(b)                      Release of Vehicle. The vehicle shall remain impounded until the owner fully pays the prior forfeiture amount and the reasonable costs of impounding the vehicle, including towing or other transportation costs and storage costs.

(c) Disposition of Vehicle. For any vehicle impounded under this section may be disposed of by following the same procedure as provided for disposing of an abandoned vehicle under Wis. Stat. § 342.40 if the impounded vehicle remains unclaimed for more than 90 days after the disposition of the citation for which the vehicle was impounded.

SECTION II: The terms and provisions of this ordinance are severable. Should any term or provision of this ordinance be found to be invalid by a court of competent jurisdiction, the remaining terms and provisions shall remain in full force and effect.

SECTION III: All ordinances or parts of ordinances contravening the provisions of this ordinance are hereby repealed.

SECTION IV: This ordinance shall take effect and be in force upon its passage and on the day after its publication.

INTRODUCED at a regular meeting of the Village Board of the Village of Germantown this \_\_\_\_\_ day of \_\_\_\_\_, 2023, by Trustee \_\_\_\_\_.

PASSED AND ADOPTED by the Village Board of the Village of Germantown on this \_\_\_\_\_ day of \_\_\_\_\_, 2023.

PLACEMENT: Action Item

ITEM TITLE: Turnout Gear Purchase

SUBMITTED BY:

SUMMARY EXPLANATION:

For the 2023 budget the the Fire Department had requested \$50,000.00 for a fuel station to be placed at Station 2. As this year has progressed we have determined that new Fire Gear is a greater need than the fueling station. We would like to use the funds earmarked for the fueling station to purchase fire gear. Our current cost is \$2060.00 per coat, and \$1,345.00 per pants.

ITEM TITLE: Pro Phoenix Training

SUBMITTED BY: Mike Snow, POLICE CHIEF

SUMMARY EXPLANATION:

In 2023, the Germantown Police Department went through an extensive upgrade to our operating system. We have used the Pro Phoenix operating system since 2006. This has been one of the most comprehensive upgrades since that time. This resulted in a change to many of the modules used by officers, communications officers and clerical personnel. To facilitate this transition, Pro Phoenix provided on-site "Train the Trainer" training to 8 members of the department.

The total cost of the training was \$12,800. The department was able to secure funding through a State DOJ grant to cover the cost of the training and additional items.

Dear Captain Patrick Merten,

On behalf of ProPhoenix Corporation, we are pleased to present this proposal for various components of the Phoenix Public Safety Solution Suite. The attached proposal details the required software modules and associated support services in order to successfully implement the proposed solution. If hardware is being proposed and/or recommended, please take note of the specific operating requirements outlined in the Proposal Notes and/or Terms section.

Phoenix represents a major "paradigm shift" in the value provided to Public Safety agencies throughout the United States. There are several differentiating benefits realized by an agency when implementing Phoenix Software. Highlights include;

- ✓ Deep horizontal and vertical integration throughout the entire software suite
- ✓ Integration of 3rd party tools which are transparent to the end user
- ✓ A complete, end-to-end, Public Safety lifecycle suite deployable throughout the entire agency
- ✓ Complete design, development, deployment, and maintenance conducted by ProPhoenix personnel
- ✓ Fiscal responsibility for both the initial procurement as well as ongoing sustainability
- ✓ An "all-inclusive" module philosophy within the major application offerings, e.g., CAD, RMS, Mobile, Fire, Corrections
- ✓ Continual incorporation of the latest in tools and technology to stay ahead of the technology curve
- ✓ Business Intelligence (B/I) capabilities providing "actionable insight" for enhancing decision making in support of Intelligence Led Policing (ILP) initiatives
- ✓ Adherence to National information sharing standards, e.g. National Information Exchange Model (NIEM) based of Global Justice Extensible Mark-up Language (GJXML)

The Phoenix Public Safety Software Suite embraces our "i3" design philosophy of "Integrated, Intuitive, Innovative". By implementing these tenets, our goal is to maximize an agency's effectiveness and optimize its efficiency through the use of our software. We are confident in our ability to exceed your operational expectations, and are grateful for the opportunity to compete for, and earn your business. Should you have any questions, please do not hesitate to contact us.

**Please have an authorized officer sign below and return a copy to me. Upon execution by both parties, this proposal and its terms and conditions will become a binding agreement.**
