MEETING:	REGULAR MEETING OF THE PUBLIC SAFETY COMMITTEE
DATE AND TIME:	Monday, June 3, 2024 5:30 PM
LOCATION:	Germantown Village Hall Board Room N112 W17001 Mequon Road

MINUTES

- I. **CALL TO ORDER:** *This meeting has been given public notice in accordance with Section 19.83 and 19.84, Wis. Stats, in such form that will apprise the general public and news media of subject matter that is intended for consideration and action.*

PSC meeting was called to order on Monday, 6/3/24 @ 5:30pm.

II. **ROLL CALL:**

Present: Trustee Phil Hudson, Trustee Jolene Pieper, Trustee Meg Cutts.

Also present: Fire Chief John Delain, Police Chief Mike Snow

Late Arrival: Trustee David Baum arrived at 5:50pm

Absent: none

Excused: none

- III. **CITIZEN INPUT:** *(Please be advised per 19.84(2) that information and comment will be received from the public. It is the policy of this municipality that public input be limited to a three (3) minute period per person with a time extension granted at the discretion of the Chairperson. Be advised that there may be limited discussion of the information received but no action will be taken under public comments.)*

There was no Citizen Input.

IV. **APPROVAL OF MINUTES:**

- A. Approval of PSC Meeting minutes of 05/06/24.

Motion: Approve minutes as presented

Made by: Meg Cutts

Seconded by: Jolene Pieper

No further discussion; voting as follows:

Yes: Hudson, Cutts, Pieper

No: none

Absent: Baum

Motion was passed

V. **REPORTS:**

A. Police Monthly Report

Police Chief Mike Snow confirmed the 6/3/24 go-live date with the Washington County Multi-Juris program.

Offers have been made to 2 for lateral hires, working toward filling the 4 positions for this year.

School year has ended so the SRO's are re-assigned to patrol and special assignment.

Trustee Pieper asked about the positions being hired for (all 3 are for patrol).

B. Fire Department Monthly Report

Fire Chief John Delain reported our new Tender was delivered 5/10/24, all personnel have been trained on the vehicle, and it is in service.

Recent chemical spill at a local business caused it to be shutdown for a week; they are now reopened.

Mutual Aid calls to Menomonee Falls have gone down, as they have canceled the Auto-Aid program with Germantown.

Battalion Chief Ryker Holms spoke about a program he's been working on regarding the collection of Medicare and Medicaid payments back to GFD. Our data collection tells us the cost of running a call VS what we charge for a call VS what we are getting reimbursed. The State is applying for Federal funds to reimburse up to the billed amount, as Medicaid will pay only their set rate. It is still in the works but looks promising for us to collect payment on our Medicaid patients (7%-12% of our calls).

Trustees Pieper and Hudson directed additional questions to BC Holms.

C. Overtime Report

Chief Snow reported that OT has significantly improved, with more improvement expected this summer (appx \$30,000).

Chief Delain reported a decline of approximately 350 hours since first of 2024.

D. Policy Updates

GPD: nothing to report

GFD: Nothing to report

VI. UNFINISHED BUSINESS

VII. NEW BUSINESS:

A. Application for Fireworks Permit: Germantown Parks & Recreation for the Fourth of July in Fireman's Park

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- B. Application for Appointment of Successor Agent: EKM Moose 1238,
W198N10217 Appleton Ave; Agent for Consideration: William F Numrich

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- C. Application for Appointment of Successor Agent: Pick 'N Save #357,
N112W16200 Mequon Rd; Agent for Consideration: John R Quinn

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- D. Application for Appointment of Successor Agent: Post One Inc (American
Legion) N120W15932 Freistadt Rd; Agent for Consideration: Kristi B Bonnell

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- E. Application for Appointment of Successor Agent: Walgreens #5427,
W156N11261 Pilgrim Rd; Agent for Consideration: Alyssa M Ritger

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- F. Application for a Temporary Class "B" Retailer's License: 50th Anniversary Event for Germatown Historical Society on July 13, 2024 at Dheinsville Historic Park

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- G. Producer Full-Service Retail Sales Application: Component Brewing for Hops & Hounds event on July 12, 2024, at Homestead Hollow County Park

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: Meg Cutts

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts

No: none

Absent: Baum

Motion was passed.

- H. 2024-2025 Applications for Renewal of Retail Alcohol Beverage Licenses

Village Clerk Donna Ott spoke to the Committee regarding the changes in the 7/1/24-6/30/25 alcohol licensing for Germantown. Wisconsin State's Act 73 requires breweries and wineries to apply through the State, not the local municipality, for the upcoming License and Premise Extension applications. This change does not free-up liquor licenses.

The Committee asked questions regarding this change, and the Village Clerk and Commission discussed at length many details specific to the Village and the licensing of these two entities.

Village Attorney Brian Sajdak provided additional information relating to the State and Federal legalities pertaining to this situation.

Motion: Approve the list attached in the Agenda packet, with the noted contingencies

Made by: Jolene Pieper

Seconded by: David Baum

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent: none

Motion was passed

Village Clerk Ott noted this process will be implemented going forward to avoid hundreds of pages being submitted in place of one spreadsheet containing the required information. The PSC agreed.

I. 2024-2025 Applications for Renewal of Annual Outside Premise Extension Licenses

Trustee David Baum asked if there would be a new application so the outside space and the property accommodations could be better defined.

Village Clerk Donna Ott noted the applicants have no changes from last year, but also agreed the application should be updated/changed.

Motion: Approve as presented

Made by: Jolene Pieper

Seconded for discussion by: Meg Cutts

The following citizens came forward on this topic:

- Jason Giguere (Appleton Ave) asked for PSC to review Das Barrel Room's (DBR) license before approval. Specifically increased outdoor noise, overflow parking, frequency of outdoor bands and their volume, gravel parking was to be paved. Neighbors need to be considered in the future licensing of this establishment. Photos were provided to the PSC indicating the volume of parking outside of the parking lot.
- Melanie Smythe (Cedar Lane) asked if this sort of situation could be treated similar to a Pet Fancier license ("Band Fancier"?). Have Planning and Safety discuss the land CUP and find a way to assist these neighbors.
- Jessica Giguere (Appleton Ave) read a letter from another citizen, Tom & Lynn Steinbeck (Hilltop Dr). Concerns raised included utilities being run to a trailer on the property that is now a fixed structure, an outdoor port-o-john as the building facilities are not sufficient for the volume of guests, and has requested the vote on the re-licensing of DBR be postponed until these issues are resolved
- Trustee Jolene Pieper referenced the email sent to the PSC from Jeff Retzlaff, detailing the resolution of all but one code violation for DBR.
- Jan Miller (Windsong Cr) spoke (not as Trustee but as citizen) regarding the DBR noise complaints and unsafe parking. Other businesses are held accountable to their neighbors with similar criteria. Also noted the noise issues at Kinderberg park, hoping that topic will be put on the next PSC agenda.
- Shaun Bowe (Main Street) asked for details about how this would be presented at /voted on at the Village Board meeting.

Change of Motion: Push New Business Item I to the Village Board, not under consent.

Made by: Jolene Pieper

No objection by Seconded: Cutts

The following spoke to this matter with the noted concerns:

Village Attorney Sajdak: pushing to Village Board allowable, noted special meeting may be required if not approved

Police Chief Snow: noise with outside music, Officer discretion per situation

Fire Chief Delain: they may be exceeding occupancy load, unsure of present number for DBR

Motion: Call the Question

Made by: Trustee David Baum

Seconded by: Jolene Pieper

No further discussion, voting as follows:

Yes: Hudson, Pieper, Cutts

No: Baum

Motion was passed

J. Application for Renewal of Junk Dealer Establishment: Waste Management,
W132N10487 Grant Dr

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent: none

Motion was passed.

K. Application for Renewal of Second Hand Article Dealer License: ecoATM,LLC;
W190N9855 Appleton Ave (within Wal-Mart)

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent: none

Motion was passed.

L. Purchase of Portable Radios for the Police Department

Chief Mike Snow noted this was previously approved and is being covered by Washington County grants, there is an increase of \$5,200 due to pricing increase since last year. Looking to also get approval for 2025 radios at this year's pricing.

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

Trustee Pieper thanked Chief Snow for continuing to find grant dollars to pay for purchases; Chief Snow recognized Lt. Dan Mikulec and Capt. Pat Merten for their work finding grant monies.

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent:

Motion was passed.

M. Police Department Communication Officer Bonuses

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent:

Motion was passed.

N. Review and Recommendation for Public Safety Building Needs Assessment
Chief Mike Snow gave an overview of the RFP project.

Trustee Pieper asked for the list of all candidates (Graef, Zimmerman, FGM Architects, SDH), and asked Chief Snow and Chief Delain of their confidence in going forward with Graef.

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

Trustee Cutts asked for more details on the post-phase 3 progression (PSC or Village Board) and how long have we planned for this project and have we set aside funds?

Village Atty Sajdak , Director of Public Works Matt Mortweltdt answered those questions, with Village Administrator Steve Kreklow providing information regarding the General Fund Reserve balance and how that can be applied.

Trustee Pieper requested we add this topic to future agendas for updates.

Trustee Baum wanted clarification that this is an assessment of needs only.

Clarification: AARPA funding applies for this assessment

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent: none

Motion was passed.

O. An Ordinance to Opt Out of the Extended Closing Hours for Alcohol Beverage Licensed Premises During the 2024 Republican National Convention

Motion: Approve as presented

Made by: Jolene Pieper

Seconded by: David Baum

Trustee Baum asked if any business has asked for an extension (no). No further discussion; voting as follows:

Yes: Hudson, Pieper, Cutts, Baum

No: none

Absent: none

Motion was passed.

VIII. NEXT MEETING DATE:

The next Public Safety Committee Meeting was set for Monday, 7/1/24 @ 6:00pm.

IX. ADJOURNMENT:

Meeting was adjourned at 6:52pm.

The background of the entire page is a stylized, high-contrast image of the United States flag. The stars are white on a dark blue field, and the stripes are white and dark blue, creating a bold, graphic effect.

Drug paraphernalia and one pistol used in the criminal weapons complaint was located inside of the vehicle.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE:

7/1/24

PLACEMENT:

ITEM TITLE:

Citizen THANK YOU to the GFD

SUBMITTED BY:

John Delain

SUMMARY EXPLANATION:

Call 24-1149
Mon 6/17/24 @ 15:30

Engine responding to the MVA at Pilgrim and Hudson, going East on Mequon at Legend, STOPPED for the children running across the road at the lights. Even though the intersection traffic stopped and heard the sirens, the kids still ran across the road without looking.

Gary and Jan (unknown last name) were going West at the light and saw it all unfold and "...are truly thankful that you put SAFETY FIRST and made sure what was happening in front of you was your priority, not where you were headed. It could've been awful with serious injuries if you hadn't been so careful."

GERMANTOWN HISTORICAL SOCIETY

June 20, 2024

Village of Germantown
N112 W17001 Mequon Road
Germantown, WI 53022

Dear Sir,

Enclosed you find the Application for Temporary Alcohol Beverage License for our Oktoberfest event on September 28th and 29th, 2024.

Please review and if I need to provide any additional information, please contact me. If all documents are in order, please process licensing. Once the License is available I would like to pick it up at the Village Hall.

Thank you,

Sue Dix, Treasurer

Germantown Historical Society

Part F: Attestation

Who must sign this application?

- sole proprietor • general partner of a partnership • corporate officer • member of an LLC

READ CAREFULLY BEFORE SIGNING:

I understand and agree to the following:

- I will not operate this location outside of the dates and times approved by the municipality and Division of Alcohol Beverages.
- I will operate this location according to municipal ordinance and restrictions imposed as a condition of receiving this authorization.
- I will purchase alcohol beverages I do not produce from an authorized source, such as a Wisconsin-permitted wholesaler.
- I will operate this location according to Wisconsin law and administrative regulation including but not limited to: underage restrictions, closing hours, licensed operators, and record keeping requirements.

Further, under penalty of law, I have answered each of the above questions completely and truthfully. I agree that I am acting solely on behalf of the applicant business and not on behalf of any other individual or entity seeking the authorization. Further, I agree that the rights and responsibilities conferred by the authorization, if granted, will not be assigned to another individual or entity. I understand that lack of access to any portion of a premises during inspection will be deemed a refusal to allow inspection. Such refusal is a misdemeanor and grounds for revocation of this authorization. I understand that any authorization issued contrary to Wis. Stats. Chapter 125 shall be void under penalty of Wisconsin law. I further understand that I may be prosecuted for submitting false statements and affidavits in connection with this application, and that any person who knowingly provides materially false information on this application may be required to forfeit not more than \$1,000 if convicted.

Form AB-105 Instructions

Producer Full-Service Retail Sales Application

Who may apply for full-service retail sales?

Producer permittees may apply for full-service retail sales on or off the production premises. Producer permittees include brewers, rectifiers, manufacturers, and wineries.

Who qualifies for full-service retail sales?

- A brewery that manufactures a minimum of 250 barrels of fermented malt beverages.
- A manufacturer/rectifier that produces a minimum of 1,500 liters of intoxicating liquor.
- A winery that produces a minimum of 1,000 gallons of wine.

What are full-service retail sales?

Permittees that are granted full-service retail sales privileges may:

- Sell fermented malt beverages and intoxicating liquor at retail for on- or off-premises consumption at their production premises and at one or more off-site full-service retail outlets.
- Provide taste samples of fermented malt beverages and intoxicating liquor.

What are full-service retail outlets?

Full-service retail outlets are authorized locations for full-service retail sales at places other than the permittee's production premises.

What is the difference between a fixed and unlimited transfer full-service retail outlet?

Fixed full-service retail outlets may be transferred from one location to another once per year. Unlimited transfer full-service retail outlets may be transferred an unlimited number of times in a year. Only one of a producer's full-service retail outlets may be transferred without limitation on frequency.

How many full-service retail outlets may I have?

The number of full-service retail outlets a producer qualifies for is determined by alcohol beverage production volume. Producers may have a maximum of three full-service outlets, regardless of the number or type of producer permits they hold.

Who approves full-service retail sales?

Full-service retail sales on the production premises need only be approved by the Division of Alcohol Beverages. Municipalities do not issue licenses for full-service retail sales outlets; however, municipalities must approve of the outlets. The applicant must forward the municipal approval to the Division of Alcohol Beverages for final granting of the authority for sales to commence on the premises.

Can a municipality limit authorized sales at a full-service retail outlet?

Yes, a municipality can limit authorized sales at a full-service retail outlet. Municipalities may limit the scope of alcohol beverages offered for sale by the permittee. Municipal approval of a full-service retail outlet must be based on the same standards and criteria, established by ordinance, for the evaluation and approval of retail licenses. A municipality may not impose any requirement or restriction in connection with the approval that the municipality does not impose on retail licensees.

How do I fill out Form AB-105 and begin the application process?

Authorizations requested on Form AB-105 must be applied for only one premises in one municipality at a time. To request multiple authorizations, submit a separate Form AB-105 for each location/premises.

Parts A, B, and F: Applicants must complete Parts A, B, and F.

Parts C, D, and E: Complete only one Part. Form AB-105 must be used to request only one authorization at a time.

Example: A producer applicant requesting full-service retail sales authorization on the production premises should complete Parts A, B, C, and F.

Example: A producer applicant requesting a fixed full-service retail outlet should complete Parts A, B, D, and F.

Part A: Producer Information

1. Business Legal Name (individual name if sole proprietor) Old Germantown LLC

OUTSIDE PREMISE EXTENSION

POLICY & PROCEDURE

1. Requests for outside premise extension shall be made in writing to the Village Clerk and shall identify the date(s), time(s) and description of area to be used.
 - a. If application is made with the renewal of a Class "B" Beer or "Class B" Liquor License, the outside premise description shall also be accurately described and included in the legal description of the licensed premises.
2. A drawing accurately describing the location of the outside premise shall be attached to the application. Such description shall include the dimensions and access points of the outside premise.
 - a. If this is a new or a change to a permanent outside extension, site plan approval is required from the Plan Commission. Contact the Village Community Development Department for an application form and required information.
3. NO ALCOHOL BEVERAGES shall be served or consumed and NO amplified sound or outdoor lighting, other than customary safety and security lighting, shall be permitted within an outdoor licensed premise between the hours of 10:00 p.m. and 8:00 a.m. unless as otherwise authorized by the Village Board at the time of license issuance subject to such conditions found to be necessary to minimize the impact of such use upon surrounding properties including limiting the dates and times of operation and requiring technological reasonable steps to minimize noise and other impacts.
4. All applications shall be referred to the Police Chief and Fire Chief for review and recommendation.
5. All property owners within 300 feet of the proposed outside premise shall be notified of the pendency of application and the date(s), time(s) and location, when the request will be considered by the Public Safety Committee. This shall be done by first class mail, approximately 10 days prior to the scheduled meeting for original applications only
 - a. This is not required for renewal applications.
6. The Public Safety Committee shall review the request, consider the recommendations of the Police and Fire Chiefs, and make a recommendation to the Village Board regarding issuance.
7. It is preferred, but not required that access to the outside premise shall be from the interior of the licensed premises. There may be a fire exit in the outside premise but may not allow for access from the outside.
8. Fencing of the outside premise shall be considered on a case by case basis.

BSC Wisconsin LLC dba Big Sky Country Bar & Grill
W204 N11498 Goldendale Road, Germantown, WI 53022
Contact: Eric Schroeder – 414-331-9191 cell

re: One Time Outside Premise Extension request for Saturday, August 17th, 2024. The time requested to use this area is between 10am to 10pm.

Big Sky Country requests an outside extension of premises on the West side of the property that is immediately adjacent to the physical structure. The area located between the two driveways which provide entrance/exit of the parking lot. This area is referred to as “C” on attached diagrams/documents.

Two main reasons this area was selected. Firstly, it provides a safe area for the attendees. It is out of the path of any car traffic, especially the driveway access points. Strategically placed objects (i.e., Type 1 barricades) could be used to delineate the area as well as act as safety barriers. Secondly, this location is far from nearby residents. The combination of the distance and the white noise from the adjacent highway makes this area the least likely to cause any noise disturbances that would be offensive.

Please refer to the attached diagrams/documents.

“A” – The Entrance to the premises located on the West end of the building.

“B” – The Entrance to the premises located on the East end of the building.

“C” – The proposed event area. It will include a 30-foot by 30-foot Tent. The Tent will house a stage for a Band, tables & chairs for seating, and beverage stations where soft & hard drinks will be sold. The additional space in area “C” will have tables & chairs. We propose limiting the Band to 4pm to 930pm – allowing us 30minutes to shut down and have attendee go inside or depart.

“D” – Keller Construction’s Parking Lot. The management of Keller Construction has offered use of their parking lot for overflow parking.

“E” – The Entrance to the premises located on the North end. Not for public use. Employee Only - Enters the kitchen.

Please refer to the satellite image and note that the event area also eliminates the fewest parking spaces. There are 70+ spaces still available if the West area is allowed to be used for the event

**Saturday
August 17th, 2024**

**Blackstone Creek Golf Club
N112W17300 Mequon Rd
Germantown, WI 53022
(262) 255-4200**

Dear Friends,

On behalf of the Big Sky Country Bar & Grill in Germantown, I would like to invite you to the 1st Annual BSC Charity Golf Outing benefiting Stars & Stripes Honor Flight on Saturday, August 17, 2024. This year's event will be held at the Blackstone Creek Golf Club located at N112W17300 Mequon Rd., Germantown, WI 53022. The golf outing is a fun and great way to honor those who served our country during World War II, Korea, and Vietnam by supporting the Mission of Stars & Stripes Honor Flight.

"Stars and Stripes Honor Flight, Inc. was started in 2008 by Joe Dean after Dean had seen a brief national news segment on the National Honor Flight Network. He was inspired to bring this program to Southeastern Wisconsin. Within days, the wheels were in motion.

The goal is to provide a life-changing trip for any veteran, at no cost to them, who wants to go to Washington, D.C. to visit the memorials & monuments constructed to honor them.

The Stars and Stripes Honor Flight, Inc. story was told one person, one small group at a time, and grew from tiny fundraisers to partnerships with many local businesses, organizations, and individuals, who have all stepped forward to ensure that our WWII, Korean and Vietnam War veterans feel appreciated."

The BSC Charity Golf Outing intends to bring customers, members of surrounding communities and people from throughout Wisconsin together for a relaxed, enjoyable, extra fun day that celebrates, honors & gives thanks to our country's veterans. Individual contributions have been the cornerstone of the effort that is Stars & Stripes Honor Flight, however; please consider sponsoring the golf outing as a Corporate, Hole, or Cart sponsor. Additionally, we will have raffles, 50-50 drawings, hole prizes, and giveaways for golfers of all abilities.

We hope you can join us for an awesome day. Please see the attached flyer for more details and sign-up information.

Thank you in advance for your continued support.

Sincerely,

Big Sky Country Charity Golf Outing

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: July 1, 2024

PLACEMENT: Action Item

ITEM TITLE: Purchase of New GFD Ambulance

SUBMITTED BY: Ryker Holms

SUMMARY EXPLANATION:

Seeking approval to purchase an ambulance from Foster Coach Sales Inc. at an amount not to exceed \$400,000. This ambulance was budgeted in the 2024 budget. The amount does not include loose supplies and equipment that will be purchased on a later date. See attached summary, and quote for further details.

ATTACHMENT:

1. Horton Quote for 070124
2. GFD Ambulance Purchase Proposal for 070124

STAFF RECOMMENDATION:

Recommending the purchase of the Horton ambulance through Foster Coach Sales Inc of Sterling, Illinois in an amount not to exceed \$400,000. This is the quoted amount of \$389,877.00 plus \$10,123 for unforeseen expenses.

ACTION BY Committee:

FOSTER COACH SALES, INC.

Germantown Fire Department Ambulance Purchase

The Germantown Fire Department and Village Board budgeted for the purchase of a 4th ambulance in 2024. Germantown has had 4 ambulances for almost 20 years, except the last few years due to space constraints. This ambulance will be an addition to the fleet and not replacing an ambulance. Currently our oldest ambulance is 13 years old, 3 years past its expected lifespan.

Bids were requested and two proposals were received.

- Horton Ambulance through Foster Coach Sales Inc in the amount of \$389,877.00
- Lifeline Ambulance through Jefferson Fire & Safety in the amount of \$432,963.00

The committee which put together the proposal and reviewed the responses is **Recommending the purchase of the Horton ambulance through Foster Coach Sales Inc of Sterling, Illinois in an amount not to exceed \$400,000. This is the quoted amount of \$389,877.00 plus \$10,123 for unforeseen expenses.** This amount does not include loose equipment that will need to be purchased separately at a later date.

Several area departments utilize Horton Ambulances and have worked with Foster Coach Sales and have given positive recommendations. Menomonee Falls, Milwaukee, Wauwatosa, Western Lakes, and more. Additionally, our representative has been helpful and very responsive during the process, giving reassurance for quality continuing customer service.

Horton Ambulance has given an anticipated delivery to occur in late 2026 or early 2027. This is similar to other ambulance manufacturers who are quoting 2–3-year lead times due to a backlog created during the pandemic.

Ryker Holms
Battalion Chief

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: July 1, 2024

PLACEMENT: Presentation

ITEM TITLE: Siren System Activation After Transition to Washington County

SUBMITTED BY: Mike Snow, Police Chief

SUMMARY EXPLANATION:

Prior to the transfer of communication services to Washington County, the Village will need to consider options for activation of the emergency siren system. Attached are two potential options to ensure emergency activation is not interrupted.

ATTACHMENT:

1. NEXGen Info Sheet
2. OPTION 1 - Germantown Standalone RTU's Quote #393
3. OPTION 2 - Germantown NEXGen Quote #394

AMERICAN SIGNAL CORPORATION COMPULERT NEXGEN

NEXGEN KEY FEATURES

WHAT IS COMPULERT™ NEXGEN?

CompuLert™ NEXGen is a powerful mass notification platform, capable of seamlessly integrating critical communications systems with distributed data collection and sensing equipment, to provide custom life safety solutions. It was developed by American Signal Corporation, a premiere outdoor warning system manufacturer based right here in Wisconsin since 1942. CompuLert™ NEXGen is an award-winning set of software and hardware that empowers communities to upgrade any brand or age outdoor warning system with the latest in activation and monitoring technology.

INTEGRATES INTO YOUR EXISTING SIREN SYSTEM

CompuLert™ NEXGen provides communities a solid means to activate their outdoor warning sirens regardless of existing brand or model. The one-way features of this software and included hardware will allow communities immediate solutions such as NOAA auto-activation and a dedicated activation server/software console without the need to change hardware or programming in the field. This is especially beneficial to large multi-community siren networks as it allows the entity activating the siren ultimate flexibility without needing to get involved with the sirens at a local level, especially in small to large systems with multiple brands of warning equipment.

TWO-WAY AND ONE-WAY COMPATIBLE FROM THE START

From the very first day your system is installed, NEXGen can operate both one-way activation and two-way features natively. The one-way capabilities will upgrade any siren system without the need to change programming or hardware on individual siren sites. Once NEXGen has been chosen as the activation platform for your siren system you or the communities you represent can opt to further purchase the necessary compatible boards/chips or remote terminal units to operate two-way functions. A decision can also be made to continue operating siren sites with legacy one-way activation codes (DTMF and/or TTS). NEXGen ties in any potential two-way sites and one-way sites together to create a single uniform activation platform.

NO HIDDEN FEES

Some alternative siren activation software manufacturers may charge you hefty annual support fees for different tiers of activation software once it is purchased. So long as the software is hosted on your local secure server, CompuLert™ NEXGen comes with no annual support fees or additional hidden fees once it is purchased. We are a firm believer that once you purchase something, it is yours and we will continue to support your system with upgrades over the life of the product.

SPECIFIC CAPABILITIES

WHAT CAN COMPULERT™ NEXGEN DO?

CompuLert™ NEXGen provides simple, effective solutions to monitor and control emergency siren systems, while also maintaining a user-friendly administration interface. From one siren system to thousands of sirens located in separate geographic regions, CompuLert™ NEXGen provides intuitive command and control capabilities.

CompuLert™ NEXGen's integration capabilities also provide advanced detection and warning capabilities to pre-existing system networks. The CompuLert™ NEXGen platform includes both hardware and software. Hardware is fully-integrated with ASC's full line of **emergency warning sirens**, and can also be interfaced with numerous sensing and detection devices. In a mass notification system comparison, no other system offers this level of functional integration.

- **Interface with National Weather Service Alerts (NOAA) and FEMA's Integrated Public Alert Warning System (IPAWS):** Automatically retrieve alert messages to activate critical mass notification devices and systems. When identical alerts come through multiple sources, CompuLert™ NEXGen has the option to respond only to the first one.
- **Common Alerting Protocol (CAP) compliant:** Fully supports consuming and originating CAP-compliant messaging.
- **Auto-Activation:** Provides unattended activation of alert notification devices automatically in response to NWS/CAP messages, increasing critical life-saving time. Manual control over the sirens is still available at all times via the PC or command console.
- **Auto-Test:** Provides various rules that can be configured to allow for year-round or seasonal outdoor warning siren testing automatically. Follow-up polling for two-way siren sites can also be configured to verify test and actual warning sounding status.
- **Remote activation:** Access your control dashboard from any device, for instant, up-to-date information and monitoring.
- **CompuLert™ NEXGen rules engine:** Emergency managers can adjust their filters to allow only relevant alerts to come through and activate devices only in designated areas.

- **Tiered architecture by design:** CompuLert™ NEXGen is a true multi-tier client server application based on leading-edge architecture and global mobile technologies, providing a seamless transition from traditional desktops to tablet and mobile platforms.
- **Compatible with existing outdoor sirens:** Designed to work with ASC-brand sirens seamlessly, as well as alerting and communication devices from numerous other manufacturers.
- **Multiple communication channel support:** Ability to manage multiple simultaneous communication channels utilizing dissimilar technologies. CompuLert™ NEXGen includes an intelligent communications management engine that coordinates emails, SMS messages, phone calls, digital signage and more.

TWO-WAY BENEFITS

CompuLert™ NEXGen can upgrade new or existing siren sites with two-way status monitoring and live PA for voice sirens. The two-way benefits of the NEXGen platform can allow monitoring of individual siren site status and real-time alarm messages. This allows for rapid deployment of service personnel should an issue with a siren site arise. Furthermore, the site security features allow for rapid response by authorized personnel if the siren sites are tampered with by unauthorized parties for any reason. Another

feature of the two-way upgrades includes any community utilizing an electronic voice/tone type siren. Any brand voice/tone siren with the correct hardware can communicate immediate live public address messages either over one or multiple siren sites as selected. Any form of two-way communication can be secured via ASC Encrypted Communication Cards to protect against sophisticated hacking or unauthorized activation and is offered as the SWS standard option when quoting NEXGen two-way activation systems for your community.

FREE CONSULTATION AND SYSTEM PLANNING

Sheboygan Warning Systems offers free siren consultation and system planning services to all communities. Our company was formed by two volunteer fire-fighters with a mission to promote redundancy in mass-notification of the public by offering effective, reliable and cost-effective outdoor warning siren solutions. We offer a full range of system planning options including customer specific site planning, activation system overhaul planning, coverage mapping, and devising future fiscally responsible system goals. Our boots on the ground approach to all the above allows us to really see your community needs through in-person visits and presentations. We are thankful for your consideration of our product. If any additional questions or requests for a more personalized presentation arise, please do not hesitate to reach out. We stand by 24/7 to assist your community with all outdoor notification solution needs.

Date 6/25/2024**Quotation #** 393**Quotation For**

Village of Germantown
N112 W17001 Mequon Road
Germantown, WI 53022

Quotation valid until: 7/25/2024**Comments or Special Instructions**

This quote is to supply and install American Signal Corporation standalone RTU's on all 15 siren sites in the Village of Germantown. This quote includes all equipment needed for the Village of Germantown's warning siren system to activate automatically with NOAA through Hartford's NEXGen server. If the signal isn't sufficient to all the sites in Germantown from Hartford then it would require Germantown to have their own NEXGen setup. The cost of a NEXGen setup including a CSC-960 (Control Console) with ECC (Encrypted Communications Card), VHF radio, radio interface cable, lightning arrestor, NEXGen software, tower server (Includes monitor, keyboard & mouse) and NOAA auto activation is \$21,309.50. This option allows for the Village to have all features of NEXGen functional including two-way status monitoring.

Quantity	Description	Unit Price	Taxable?	Amount
15	Standalone RTU NexGen 2.0	\$3,591.00		\$ 53,865.00
15	ECC Format Card (Encrypted Communications Card)	\$273.00		\$ 4,095.00
15	Current Sensor	\$112.00		\$ 1,680.00
15	Radio Interface Kit (Radio to move from control cabinet to RTU Enclosure)	\$52.50		\$ 787.50
15	Lightning Arrestor, VHF, PL-259	\$182.00		\$ 2,730.00
15	Federal Rotation Sensor	\$112.00		\$ 1,680.00
15	Flexible Conduit & Wire	\$68.00		\$ 1,020.00

15	Installation of Equipment at sites. •Install (1) American Signal two-way Siren control per American Signal installation specifications at sites approved by the Village. •Furnish and install electrical accessories for 120/240 vAC operation of siren. •Remove radio from existing siren control cabinet, reprogram and re-install in new cabinet. •Re-use existing antenna, coax, and antenna bracket.	\$2,782.00		\$ 41,730.00
	OPTIONAL LINE ITEMS ARE NEEDED IF SIGNAL FROM HARTFORD ISN'T SUFFICIENT			
OPTIONAL	Central Station Controller-960, ECC Format Includes 10 Programmable Push Buttons	\$4,650.00		
OPTIONAL	Radio Interface Kit	\$52.50		
OPTIONAL	Lightning Arrestor, VHF, PL-259	\$182.00		
OPTIONAL	CompuLert™ NEXGen Command and Control Server Software	\$7,650.00		
OPTIONAL	Tower Server-Includes RAID 1 data mirroring, 8Gb RAM, 21" Monitor, Keyboard, Mouse. Preloaded with Ubuntu LTS and supporting environment for CompuLert™ NEXGen.	\$3,825.00		
OPTIONAL	NOAA Auto Activation	\$2,500.00		
OPTIONAL	Installation of NEXGen Server & Association Equipment	\$2,450.00

Germantown, WI 53022

Quotation valid until: 7/25/2024**Comments or Special Instructions**

This quote is to reprogram the siren sites & radios to be activated via Hartford's NEXGen. This option would only allow activation and wouldn't allow for two-way status monitoring and other features of NEXGen such as polygon activation. The ECC card on the quote would be installed in the Hartford NEXGen system to allow activation of the Village sirens. If the signal isn't sufficient to all the sites in Germantown from Hartford then it would require Germantown to have their own NEXGen setup. The cost of a NEXGen setup including a CSC-960 (Control Console) with ECC (Encrypted Communications Card), VHF radio, radio interface cable, lightning arrestor, NEXGen software, tower server (Includes monitor, keyboard & mouse) and NOAA auto activation is \$21,309.50.

Quantity	Description	Unit Price	Taxable?	Amount
15	Program Existing Sites & Radios to Activate Via Hartford's NEXGen	\$180.00		\$ 2,700.00
1	Setup CAP Feed For Sites Through Hartford's NEXGen	\$1,220.00		\$ 1,220.00
1	ECC (Encrypted Communications Card)	\$482.00		\$ 482.00
	OPTIONAL LINE ITEMS ARE NEEDED IF SIGNAL FROM HARTFORD ISN'T SUFFICIENT

ACTION BY Committee:

Emergency Medical Services (EMS) & Fire Grant Program

The mission of Washington County is to create an environment for residents and businesses to enjoy our authentic quality of life through a well-governed and administered County dedicated to safe and secure communities, economic growth and vitality, effective mobility and reliable infrastructure, and access to basic needs.

Washington County has designated \$1,000,000 of one-time funding in 2024 to support Fire/EMS efforts at the local level. Specifically, this grant provides financial assistance directly to the local units of government that fund eligible fire departments and fire/EMS organizations to assist in the provision of critical staffing, training, and equipment. All Washington County municipalities are eligible to receive the funds, except for the City of West Bend, who is receiving funds via the lead lateral grant program.

Process:

- Each municipal entity shall receive an award letter outlining the award amount, as well as any requirements for approval and use of the funds.
- The elected body of the municipality must act to approve/accept the grant via the model resolution provided by the county. Municipalities should approve the resolution via their normal process and communicate that acceptance to the County.
- Upon receiving confirmation of acceptance, the County will remit the grant payment to the municipality.

Eligible Use:

- **Hiring and Staffing:**
 - Hiring fire and emergency response personnel.
 - Incentives for volunteer recruitment and retention.
- **Operations & Safety:**
 - Contract cost increases in excess of net new construction.
 - EMS/Fire equipment, including personal protective equipment and specialty access vehicles (ex. all-terrain vehicles).
 - EMS training.
 - Updates to stations and facilities.
 - Wellness and fitness.

Grants will be distributed using the following formula:

- 25% of annual funds proportionally allocated by population as a percent of the total population of participating municipalities.
- 25% of annual funds proportionally allocated by equalized value as a percent of the total equalized value of participating municipalities.
- 25% of annual funds proportionally allocated by percentage of total EMS calls as a percentage of the total EMS calls of participating municipalities.
- 25% of annual funds allocated equally across all participating municipalities.

To: Village of Germantown
From: Washington County
Date: May 3, 2024
Subject: Washington County Emergency Medical Services (EMS) & Fire Grant Program

The purpose of this communication is to inform you that the County has approved an EMS & Fire Grant of: \$177,000 for your municipality. This program and process has previously been communicated to your chief elected official.

The next steps in the process are for you to:

- Have your elected body approve the grant award (using the included resolution language included in the attachment).
- Send a signed/approved copy of the resolution.

Once we receive the information, the County will send a check for the approved amount. Included in this communication is a copy of the program information and a template for you to use for getting approval by the elected body of your municipality (typically done via resolution).

The resolution attachment is in Word, so it can be pasted into the format used by your municipality. Please do not significantly modify or add to the language.

Please contact Aaron Daul (aaron.daul@washcowisco.gov or 262-335-4330) if you have questions.

Thank you for your partnership.

1 **Resolution: Accept Funds from the Washington County Emergency Medical Service (EMS)**
2 **& Fire Grant Program**

3
4 **WHEREAS**, Washington County has allocated a pool of dollars to create a grant program
5 to provide direct assistance to partner fire and Emergency Medical Services (EMS) agencies in the
6 County; and

7
8 **WHEREAS**, the County has created a distribution formula and has calculated the award
9 amounts for each eligible municipality; and

10
11 **WHEREAS**, Washington County has awarded \$ 177,000 to Village of Germantown for
12 this purpose; and

13
14 **WHEREAS**, Village of Germantown has reviewed the terms and conditions of the grant
15 program, as described in the program description; and

16
17 **NOW, THEREFORE, BE IT RESOLVED** by the Village of Germantown Board that
18 the Village Board does hereby accept the grant award in accordance with the Washington County
19 Emergency Medical Service (EMS) & Fire Grant Program.

ACTION BY Committee:

COMMITTEE REPORT

To: Public Safety Committee
From: Aaron Daul – Chief Administrative Officer
Meeting Date: June 19th, 2024
Re: Request for Municipal Public Safety Radio Grant – Village of Germantown Fire Department

DECISION:

Consider a grant request from the Village of Germantown under the Municipal Public Safety Radio Grant Program.

STRATEGIC PRIORITY/RESULT ACHIEVED:

Well-Governed and Administered County; Safe and Secure Community

DISCUSSION:

2022 Resolution 66 called for the creation of a grant program to assist our partner police and fire agencies in the County in funding new radios when the need arises for an additional radio in their inventory and allocated \$500,000 for that purpose.

The Village of Germantown Fire Department has submitted a request to utilize the grant program for 10 portable radios related to the hiring of 10 additional full-time Firefighter/EMT's.

Based on the grant parameters, the grant award for this request is: \$64,000.

Upon receipt of the signed model resolution and proof of purchase, the County will remit payment to the Village.

FISCAL EFFECT:

Currently, \$332,100 exists in the grant fund for this purpose. Dollars for this program were allocated on a one-time basis and the County Board will need to consider replenishing after the fund is exhausted.

ATTACHMENTS:

Grant request from the Village of Germantown.

RECOMMENDATION:

Motion to approve the grant request and award as described above.

Germantown Fire Department

N115W18752 Edison Drive
Germantown, WI 53022
Phone: (262) 502-4701
Fax: (262) 502-4744

To: Aaron Daul

Date: June 4th, 2024

Subject: Radio Grant Funding

The Germantown Fire Department is requesting funding for the following radio devices through 2022 Resolution 66.

10 XL-200P Portable Radios w/ Extreme Mic (9 yellow and 1 green)

With the passing of the Germantown Public Safety Referendum, the Germantown Fire Department will be hiring an additional 10 FF/EMT's in January 2025. Currently, Germantown Fire Department issues portable radios to all Full-Time members. With the additions, more portable radios will be needed to outfit the new hires.

Thank you for your time and consideration. If there are any further questions, please feel free to contact Fire Chief John Delain or Battalion Chief Robert Asmondy at 262-502-4701.
