February 28th, 2011

**CALL TO ORDER:** Chair Brownell called the meeting to order at 6:30 p.m.

**ROLL CALL:** Chair Mary Brownell, Members Denise Hoinacki, Jerry Hoinacki, Barb Mendenhall, David Pomeroy and Trustee Jeff Werderman were present. Chris Kauth was excused.

**PREVIOUS MINUTES:** *Motion by B. Mendenhall, seconded by D. Pomeroy to approve the January 24th, 2011 minutes. Motion carried 6-0.*

**NEW BUSINESS:** **NEW APPLICANTS:** There were no new applicants.

**UNFINISHED BUSINESS:** **ASHLEY APPLICATION:** D. Hoinacki passed out information about silos and how they affected the rise of the dairy industry in Wisconsin. This happened at the same time that the improvements to the Ashley property were made. It would be a point of interest in the story. M. Brownell suggested getting a photo of the square silo in Germantown. D. Pomeroy suggested the evolution of the silo be included. B. Mendenhall wanted to check if Washington County had a directory of dairy farms to see how many cows they had at that time.

**PUBLIC INPUT:** M. Brownell found a source for historic paint colors from a company in Lodi. She will stop there next time she is in the area.

**ADJOURNMENT:** There being no further business, the meeting was adjourned at 7:00 p.m.

Respectfully Submitted,

Denise Hoinacki - Secretary  
Historic Preservation Commission
