- D. GRAEF/PRA/Moore Construction presentation and discussion on the cost of a combined public safety building versus independent Police and Fire Department buildings.

GRAEF/PRA/MOORE presented information and preliminary diagrams of a proposed Public Safety Building. Numbers presented showed a single building vs. combined building. Overall it would be *less* expensive to have one (combined) building.

Discussion ensued, questions & additional information provided. Topics addressed:

- Police gun range, existing and future
- Fire response time, lane miles (5.5 from Station), locations that would be best for coverage
- Cost of addition/modification to existing Station 2 due to capacity constraints (more personnel, limited bunkrooms)
- Public Safety Bldg cost savings vs 2 buildings
- Toilet rooms, bunk rooms, showers, kitchen/break rooms Q&A
- Acreage suggested for site? (4, preferably 6 acres)
- Village properties available for consideration?
- Trustee Baum asked for a breakout of the pricing for Police and Fire, what the total would be for each.
 - Request a listing of Village-owned properties for Committee review
- Trustee Pieper asked for a closer look into the School District properties available and possible future negotiating.
- Administrator Kreklow spoke regarding the list of properties would be the same as a few years ago for the DPW project, nothing would fit this need south of Freistadt Road.
 - Reminded the Committee that the Board directed this needs assessment and a feasibility study. Property/land was not within the scope of this study.
- Chief Delain confirmed the Village's 2050 plan requirements were used in planning a Public Safety Bldg.
- Room usage was reviewed, explained, diagram was referenced for additional information.
- How would updating/remodeling of existing Station 2 impact moving forward with a new building.

Administrator Kreklow spoke regarding the next step in this project would be reviewing a more detailed proposal, with focus on size and location.

School Board President Russell Ewert spoke regarding the idea of "property swap", share, lease. GSD is just entering a facilities study, so very early in this conversation.

Chairman Hudson asked President Ewert to submit the GSD ideas to the Public Safety Committee for future consideration and discussion.

Administrator Kreklow offered that Village staff will put together a proposal for a future meeting.

E. Discussion of Locational Needs for Police and Fire Departments

Chief Snow spoke regarding the GPD responds from the Station regardless of CFS quadrants. Central location would be optimum, convenience for residents, also a showcase for the Village. But overall, flexible somewhat.

Chief Delain spoke regarding location as #1 priority as GFD responds from the Station. Response time and Village coverage also important.

Trustee Baum asked about multi-station "cross-over" and what that means for Fleet (no additional fleet would be required, split fleet over station locations).

Survive Alive House availability for GFD housing - discussion ensued. (GSD uses SAH everyday during the school year.)

Station 1 availability and Kids Klub use - discussion ensued.

F. Contract with McMahon for Executive Selection Services

Administrator Kreklow spoke regarding the selection process for hiring the next Police Chief for the Village of Germantown. The Police & Fire Commission would generally receive some outside assistance in this process.

A proposal from McMahon & Associates was presented, with Jeff Roemer being the person who will work with the PFC. An estimate was given between \$14,000-\$18,000, and Administrator Kreklow recommended to approve a contract with McMahon not to exceed \$15,000. This falls well into the ballpark pricing from the other recent Executive searches for DPW.

Motion: Approve as presented, not to exceed \$15,000.

Motioned by: Trustee Baum

Seconded by: Trustee Cutts

Discussion ensued regarding internal candidates, not spending the funds if we have appropriate applicants. (As GPD doesn't have a planned succession in place, PFC will exercise full authority in the process but cannot approve a contract.)

Motion amended: Trustee Pieper amended the motion to approve the contract for the PFC to utilize funds, as needed, on a reasonable hourly rate not to exceed \$15,000.

Amended second for discussion: Trustee Cutts

Discussion ensued regarding the hourly rate of the contract; approximately \$150-\$250 per hour is typical.

Voting on ammended motion:

Yes: Trustee Pieper, Trustee Cutts

No: Trustee Hudson, Trustee Baum

Abstain: None

Ammended motion failed by voice vote (Yes 2 No 2 Abstain 0)

Voting on original motion:

Yes: Trustee Baum, Trustee Pieper, Trustee Cutts

No: Trustee Hudson

Abstain: None

Original motion passed by voice vote (Yes 3 No 1 Abstain 0)

Germantown Fire Department
Attn.: Fire Chief John Delain
N115 W18752 Edison Drive
Germantown, Wisconsin 53022

October 14, 2024

Chief Delain:

I wanted to take a moment to thank the Germantown Fire Department for its assistance on our MABAS box alarm on the evening of Friday, October 11, 2024.

The Richfield Volunteer Fire Company responded to an attached garage fire that was fully involved upon arrival and your department's assistance was much appreciated in helping us not only control the fire and prevent significant extension into the home itself, but in also ensuring we maintained adequate backup coverage for our community in the event of subsequent calls.

Thank you again for being available and willing to help when necessary.

Sincerely,

Gregory West
Fire Chief

(g) The level of the noise in comparison to the level of ambient noise.

SECTION II

Section 12.03 of the Germantown Municipal Code is created to read as follows:

12.03 OUTDOOR ENTERTAINMENT PERMIT.

(1) **PURPOSE.** The Village recognizes that noise is threat to the public health and welfare, public safety, quality of life and property values. The Village similarly recognizes that amenities within the Village, including outdoor entertainment during the warmer months, also improves the quality of life for residents. It is the policy of the Village to regulate outdoor entertainment within the Village in order to balance these competing interests.

(2) **PERMIT REQUIRED.** No person may provide any of the following types of entertainment that is, wholly or in any part, including fixtures, attendees, and sound systems, outside of a fully enclosed permanent structure without a permit:

- (a) Amplified or non-amplified music, including live singers, musicians, bands, or orchestras, recorded music, karaoke, juke boxes, live DJ's, background music, radios, and the like.
- (b) Audio-visual broadcasts, including the presentation of live televised events such as a sporting event, television shows, movies and the like.

(3) **PERMIT TYPES.** There shall be two types of outdoor entertainment permits:

- (a) Annual Permit: Allows the permittee to provide outdoor entertainment outside an enclosed structure during specified hours. The permit period is July 1 through June 30, with each year requiring a new permit.
- (b) Temporary permit: Allows the permittee to provide activities outside an enclosed structure during a specified period or periods for special, limited occurrences.

(4) **APPLICATION PROCESS.**

(a) Application Filing Dates.

1. Applications for annual permits must be submitted to the Village Clerk no later than close of business on the last Friday in April. Any application for an annual permit received after the deadline will be processed on a non-prorated basis subject to the regular meeting schedule of the reviewing bodies.

2. Applications for temporary permits must be submitted to the Village Clerk no less than 60 days before the desired date to provide music or other activity, in order for the permit to be processed.

(b) Permit fees shall be set from time to time by resolution of the Village Board.

(c) Permit applications must be accompanied by a scaled drawing or map showing the location of all speakers, televisions, performance locations, and the like, a site plan, and a plan of operation setting forth the dates, hours, location, type and scope of the operation for all outdoor activities.

(d) The Village Clerk will mail notice of the Public Safety Committee meeting at which the application will be reviewed to the owners of all properties located within 500 feet of the applicant's property lines at least 15 days prior to the meeting.

(e) The Village Board, after review and recommendation by the Public Safety Committee, shall approve, approve with conditions, change or deny any permit application. The Village Board, in granting any permit under this section, may impose conditions and restrictions on the permit found to be necessary to minimize the impact of the outdoor entertainment upon surrounding properties including limiting the dates and times of activities and requiring technologically reasonable steps to minimize noise and other impacts.

(5) **EXCEPTIONS.** No permit under this section shall be required for outdoor entertainment activities which occur as part of an authorized parade or on property owned by the Village, the Germantown School District, Washington County, and the State of Wisconsin.

(6) **VIOLATIONS.** Any person providing outdoor entertainment without a permit or in violation of the terms of the permit issued under this section is guilty of violating this section and is subject to the penalties found section 12.04.

SECTION III

The terms and provisions of this ordinance are severable. Should any term or provision of this ordinance be found to be invalid by a court of competent jurisdiction, the remaining terms and provisions shall remain in full force and effect.

SECTION IV

All ordinances or parts of ordinances contravening the terms of this ordinance are hereby to that extent repealed.

SECTION V

This ordinance shall take effect and be in full force upon its passage and the day after its publication.

To Whom it May Concern:

My Fancier's license has been issued allowing up to 5 dogs for many years. In the past few years, I've actually had fewer dogs than that.

Regardless, in order to comply with Village Ordinances, I want to maintain the Fanciers' permit for the limit, as I am very involved in the National and Chicago Breed clubs and could be needed in rescue situations. I also hope to obtain one or two puppies from a future breeding sired by my male Grand Champion.

It makes sense to me to maintain my standing rather than having to reapply at a future date and go through that hassle again.

I hope you will be able to renew my license on that basis.

Respectfully,

Mary M. Best

ITEM TITLE: Renewal Applications of Secondhand Article and Jewelry Dealer Licenses for 2025

SUBMITTED BY:

SUMMARY EXPLANATION:

Pursuant to §134.71, Wis. Stats. and Chapter 12.11 of the Village of Germantown Municipal Code, no person shall engage in the business of pawnbroker, secondhand article dealer, secondhand jewelry dealer or secondhand dealer mall or flea market without first obtaining a license from the Village Board. The licensing period for Secondhand Article and Jewelry Dealers is between January 1 to December 31.

The applicants have paid all applicable fees. The Department of Agriculture, Trade, and Consumer Protection recently updated the form and the Clerk's Office is having Kessler's resubmit their information on the new form. As there would not be any new information provided in the new form, this does not affect the recommendation to approve their license. Additionally, as National Rarities is a traveling business, they have advised that they will host events at Kessler's Diamond Center on 3/18/25-3/20-25; 06/03/25-06/05/25; and 09/09/25-09/11/25.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: December 2, 2024

PLACEMENT: Action Item

ITEM TITLE: Dispatch Bonuses

SUBMITTED BY: Mike Snow, Police Chief

SUMMARY EXPLANATION:

I am requesting approval for dispatch bonuses from June 1st through August 31st. These are bonuses the county had agreed to as part of the consolidation process.

ATTACHMENT:

1. bonus_recommendation_sep24

STAFF RECOMMENDATION:

ACTION BY Committee:

Bonus Consideration for Communications Officer

It was decided that in 2024 we would start a phased approach to transferring dispatch services to the Washington County Sheriff's Office. Prior to this year, eight communications officers provided twenty-four hour coverage, seven days per week. Even with this staffing level, our communications officers were often burdened with extended shifts or being bumped to a different shift with very little notice. They are now working with six full-time dispatchers and have been tasked with training dispatchers for Washington County. This has been necessary in order to maintain the original timeline, which is critical to our operations.

We propose a bonus for our full-time dispatchers to recognize the substantial burden this has placed on them. They have sacrificed a great deal and have been significantly impacted by this process. The bonus would be an additional \$4 per hour for hours worked between June 1st and September 1st, 2024. For those dispatchers that were training, we would propose \$6 per hour for those hours they trained.

We have discussed this with Washington County. They have agreed to these bonuses and have committed to providing the funds necessary to cover the cost of all bonuses.

The following reflects a bonus of four dollars per hour for regular hours worked between June 1st and September 1st.

Communication Officer	Hours Assigned @\$4/hr	Training @\$6/hr	Bonus
Eric Hanson	520		\$2,080
Carrie Ross	290	230	\$2,540
Kelly Nolan	520		\$2,080
Hannah Weisflog	136		\$544
Justin McCreary	396	125	\$2,334
