BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: March 3, 2025

PLACEMENT: Ordinance

ITEM TITLE: An Ordinance Amending Section 12.03 of the Germantown Municipal Code Related to Suspension or Revocation of Outdoor Entertainment Permits

SUBMITTED BY: Brian Sajdak, Attorney

SUMMARY EXPLANATION:

Update—February Committee Meeting

During the January Committee discussion on this matter, there were concerns that the revocation process could be started directly by a citizen, which might lead to harassment. Based on these concerns, the proposed ordinance has been amended to address this concern. Under the revised proposal, if a complaint is made, the Police Chief, Fire Chief, or Community Development Director (depending on the specific nature of the complaint made) shall investigate the complaint and then issue a written report and recommendation if they believe that a violation has occurred and warrants enforcement action. The Public Safety Committee would then consider that report and decide whether to proceed with a hearing. In addition, the Committee or the full Village Board can also direct that a hearing take place, which provides assurances that any one step in the process cannot result in automatic denial of every complaint made.

Background

At the January 6, 2025 meeting, the Village Board adopted an ordinance which created section 12.03 of the Germantown Municipal Code to establish an Outdoor Entertainment Permit within the Village. At that time, it was requested that an amendment be brought forward to provide additional detail with respect to the suspension and revocation process for these permits. The proposed ordinance accomplishes that task.

During the January discussion, there were also questions posed about the amount of a citation if there was a violation. Under the current bond schedule adopted by the Municipal Court, the first violation would be \$250, the second would be \$357.10, and each subsequent violation would be \$495.70. These amounts are the same as the amounts for noise violations. The Board could ask the Court to consider an amendment to the bond schedule for violations related to these permits.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: March 3, 2025

PLACEMENT: Action Item

ITEM TITLE: Contract for Demolition of Buildings on the "Flower Source" Site
W156 N11116 Pilgrim Road

SUBMITTED BY: Steve Kreklow, Administrator

SUMMARY EXPLANATION:

At the February 17th Village Board meeting, the Board directed staff to proceed with closing on offers to purchase three properties in the vicinity of the Pilgrim and Mequon Roads intersection. One of these properties, the old Flower Source property at W156 N11116 Pilgrim Road includes several buildings which may pose a safety hazard. These buildings include several dilapidated green houses, an abandoned house and an old garage. In order to limit Village liability for related to these structures, I am recommending that the Village Board approve the attached contract for \$50,791 to D&H Demolition and authorize the demolition of these structures.

We contacted several firms to solicit proposals for demolition of the buildings on this property and received proposals from D&H Demolition and Veit Specialty Contracting and Waste Management, and Edgerton Construction. The D&H Proposal is the lowest cost of the three proposals. D&H is fully qualified for this work and is properly insured. The contract cost will be paid initially out of an account set up for the Pilgrim/Mequon Redevelopment project to be reimbursed by Tax Increment District funds.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: March 3, 2025

PLACEMENT: Action Item

ITEM TITLE: An Ordinance to Amend Section 9.02 of the Germantown Municipal Code to Allow Hunting Within Wilderness Park.

SUBMITTED BY: Steve Kreklow, Administrator

SUMMARY EXPLANATION:

The Village Board and the Milwaukee Metropolitan Sewerage District (MMSD) approved the transfer of land around Goldendale Creek owned by MMSD south of Holy Hill Road, west of Goldendale Road, east of I-41 and north of the railroad tracks as part of their Greenseams program from MMSD to the Village. (See attached map.) This parcel was included in the Recreational Trail Plan adopted by the Parks & Rec Commission and the Village Board. As part of development to the northwest of this parcel, the Village will be constructing a road (High Point Pass) from to the railroad tracks that will provide access to the Goldendale Creek parcel. The plan is for High Point Pass to eventually cross the railroad tracks and connect to Friestadt Road.

MMSD purchased the Goldendale Creek parcel using State of Wisconsin Nelson-Knowles Stewardship Grant funds that place some restriction on future use of the land. For example, the Village could not build a large indoor sports complex on the property or re-sell it to a developer for a hotel. However, the Village can construct a reasonably sized parking lot, trails, picnic areas and other similar facilities. The Nelson-Knowles Stewardship Grant also requires that hunting and trapping be allowed on this property. These requirements transfer with the property to the Village.

As the area around the Goldendale Creek parcel continues to develop and if the amenities like bike trails, nature trails, picnic areas and the like are added, the Village may not want to continue to allow hunting at this location. The DNR, who administers the Nelson-Knowles Stewardship Grant program has indicated that the Village could transfer the hunting requirement from the Goldendale Creek parcel to Wilderness Park - if the Village opens Wilderness Park up for hunting. The Village could still allow hunting at Goldendale Creek but would have the ability to restrict hunting in the future if necessary.

Wilderness Park is currently adjacent to two MMSD Greenseam properties totaling over 200 acres that allow hunting. This makes enforcement of our current No Hunting ordinance for Wilderness Park difficult to enforce. In addition, we do receive calls every hunting season requesting permission to hunt on that Village land. Opening Wilderness Park for hunting would create an open hunting area approaching 500 total acres in the part of the Village designated as our Rural Preservation District that is likely to remain relatively undeveloped well into the future.

The Parks & Recreation Commission considered this item at their February 19th

meeting and voted unanimously in support of transferring the Nelson-Knowles grant restrictions from the Goldendale Creek parcel to Wilderness Park and opening Wilderness Park for hunting. This change would require a change to Village Ordinance 9.02(3). The phrase "Wilderness Park as located in Section 12" would need to be deleted from 9.02(3)(c) and the phrase "Wilderness Park as located in Section 12" would need to be added to 9.02(3)(d)3.b.
