Germantown Fire Department
Attn.: Fire Chief John Delain
N115 W18752 Edison Drive
Germantown, Wisconsin 53022

Chief Delain:

We want to express our gratitude for the help your department provided at a house fire in our community on the evening of Sunday, March 9.

The on-scene crews did a great job of minimizing loss (to the extent possible) for the homeowners, who were able to recover many of their personal effects and important documents after the fire was extinguished. While the insurance company will have to complete its investigation, initial findings thus far are consistent with a rechargeable battery pack (and its plugged-in charger) possibly serving as the ignition source for the fire.

As always, I am thoroughly impressed by the level of collaboration, cooperation, and professionalism exhibited by all our MABAS partners and appreciate the willingness of your fire department and its members to assist us in whatever capacity is required when we need help.

Please share our gratitude and appreciation with your personnel. Thanks again for the help.

Sincerely,

Gregory West

ITEM TITLE: Dispatcher Incentive Pay
SUBMITTED BY: Chief Patrick Merten

SUMMARY EXPLANATION:

I am requesting approval for dispatch bonuses from September 2, 2025 to December 31, 2025. These bonuses were agreed to by Washington County Sheriff's Department as part of the consolidation process.

Bonus Consideration for Communication Officer's

It was decided that in 2024 we would start a phased in approach to transfer dispatch services to the Washington County Sheriff's Department. Prior to 2024, Germantown Police Department had 8 dispatchers providing twenty-four hour coverage, seven days a week. They are now 4 dispatchers that are tasked with dispatching officers, training a new dispatcher, and handling multiple office duties.

We propose a bonus for our full-time dispatchers to recognize the substantial burden this has placed on them. They have sacrificed a great deal and have been significantly impacted by this process. The bonuses would be an additional \$4 per hour for hours worked between September 2, 2025 and December 31, 2025. For those dispatchers that were training, we would propose \$6 per hour for those hours they were training.

We have discussed this with Washington County, they have agreed to these bonuses and have committed to providing the funds necessary to cover the cost of all bonuses.

The following reflects the amount of hours each dispatcher worked from September 2, 2025 to December 31, 2025.

<u>Communication Officer</u>	<u>Hours Assigned @ \$4/hour</u>	<u>Training @\$6/hour</u>	<u>Bonus \$</u>

Kelly Nolan	615.5	34	\$2,666.00
Hannah Weisflog	66	17	\$366.00

ITEM TITLE: New Dispatcher Appointment
SUBMITTED BY: Chief Patrick Merten

SUMMARY EXPLANATION:

In trying to stay on track with the timeline that Washington County Sheriff's Department provided in 2024, they are asking the Germantown Police Department to assist with training a new dispatcher, until second shift consolidation begins. Washington County is currently working on a build out of their old dispatch counsels that is on track to be completed by early June 2025. This is contingent upon all of the supplies being delivered, and contractors scheduled for installation appointments. Once the installation of equipment is completed and tested, migration of second shift dispatching services will be forwarded to Washington County Sheriff's Department. This would also include communications officer Justin "Jack" McCreary moving to Washington County Sheriff's Department. Justin was part of the hiring process in March 2024 where we assisted Washington County Sheriff's Department by training Justin for future transfer to Washington County Sheriff once consolidation began.

Justin "Jack" McCreary has agreed to train a new dispatcher through the duration of the consolidation while at Germantown Police Department. Justin and the new dispatcher will move to Washington County Sheriff's Department once consolidation of second shift begins.

Attached is an email from Chief Administrative Officer Aaron Daul. Aaron states that the Village of Germantown will be reimbursed for all of the new dispatcher wages that the village incurs. The new dispatcher is scheduled to start Monday, April 14, 2025, pending approval by the Public Safety Committee and Village Board.

Good Afternoon – Sorry for the delayed response. I've been having some discussions around here about resources, etc.

The County is prepared to reimburse for the new dispatcher's wages that are incurred during training, so that we can continue with our current timeline.

I think it makes sense to proceed with the hiring process as we have in the past. I'll leave that to the Germantown PD and Sheriff's Office. Thanks for your willingness to train.

Subject: additional Dispatcher at GPD to train

CAUTION: External Sender. Please do not click on links or open attachments from senders you do not trust.

Aaron,

I talked with Captain Stuesser last week about the possibility of Germantown PD assisting with training another dispatcher. I do have a current dispatcher that is interested in training; however, the funds are an issue. The Village of Germantown did not budget for an additional dispatcher to be added this year, due to the consolidation occurring in 2025. We are more than willing to assist with the initial stages of training for a dispatcher but need to

know if the Village of Germantown will be reimbursement for the new dispatchers' wages that we pay them until he joins Washington County.

Last time we did this Washington County put a letter together for Justin "Jack" McCreary. I want to make sure we are all on the same page with funding of the dispatcher before committing to train them.

I wanted everyone on this email chain to be aware of the financial concerns at this point. I have confidence that we will be able to work them out so we can stay on track with the current timeline.

Thank you

STAFF RECOMMENDATION:

ACTION BY Committee:

BUSINESS OF THE PUBLIC SAFETY COMMITTEE
GERMANTOWN, WI

MEETING DATE: April 7, 2025
AGENDA ITEM: Action Item
ITEM TITLE: Command Structure Update
SUBMITTED BY: Chief Patrick Merten

SUMMARY EXPLANATION:

In 2021, Chief Snow made a recommendation to implement a command structure of 6 sergeants, 3 lieutenants, and 1 captain. The reinstatement of the sergeants was to create a shift commander that was not burdened with administrative tasks. Due to all of the retirements that have occurred over the past 3 years, it has become important to make sure the sergeants are on the road assisting our younger officers and not handling as many administrative tasks.

I am presenting a command structure of 2 captains, 3 lieutenants, and 6 sergeants. The additional captain that I am presenting would be an administrative (support services) captain that would oversee the added clerical positions after the dispatch consolidation, a lieutenant in-charge of detectives, and implementation of technology equipment.

The Administrative Captain position would not add an additional body to the department. The police department is currently approved for 42 sworn officers. Out of the 42 positions, we are currently 6 officers short since January 2025 and 1 additional since April 2025. This captain position will not add another sworn officer, it will re-structure the current staffing that we have.

One of the duties of Administrative Captain would be overseeing the implementation of the Accreditation Process that was started 6 years ago. This is an in-depth process that involves policy reviews, procedures, security procedures, finding proofs of reports to match with policies, and property room audit. The FLOCK cameras, open records, Pro-Phoenix, administer/implementation of technology equipment, community events, and other administrative tasks are a few of the responsibilities. These are only some of the assignments that the captain would oversee.
