To: Chief of Police,

Dear Chief Justin Redhlicz:

I am writing to take a moment to recognize and give my sincere appreciation and kudos to Sergeant/K9 Handler Justin Pesch for the way he conducted himself during an interaction with me.

I want to be completely honest and acknowledge that I did something I should not have done. I take responsibility for my actions and do not make excuses for my mistakes. I was helping someone whose SUV was in the shop, and I was attempting to take a shortcut home rather than drive another 20 minutes from our location. Unfortunately, Sergeant Pesch caught me in the act.

What stood out to me, however, was not the fact that I was stopped. It was the way Sergeant Pesch treated me. He was extremely kind, respectful, professional, and patient throughout the interaction. His behavior genuinely impressed me. Over the years, I have encountered or witnessed law enforcement officers in different states, and unfortunately, I have seen situations where officers showed very little compassion or treated people disrespectfully. Sergeant Pesch was completely different. He demonstrated that an Sergeant can enforce the law while still treating a person with dignity and respect.

Even though I knew I was at fault, Sergeant Pesch made me feel like I was still being treated as a human being. That made a lasting impression on me. His professionalism and character are exactly the qualities I believe people want to see in a Police Officer. I believe officers deserve recognition when they go above and beyond, and I feel strongly that sergeant Pesch deserves to know that his actions were noticed and appreciated. He is a phenomenal individual, and I sincerely hope you will give him the recognition and kudos he deserves.

Please extend my deepest appreciation to Sergeant Pesch. I wish him continued success, safety, and the very best blessings in his career and in his life.

Thank You for taking the time to read my letter, and thank you to the Germantown Police Department for having officers like sergeant Pesch serving the community.

Sincerely,

Kevin [Signature]

Automated License Plate Readers (ALPR)

416.1 PURPOSE AND SCOPE

It is the policy of the Germantown Police Department to use ALPR systems and their data in a manner that promotes public safety while complying with applicable laws and respecting privacy, civil rights, and civil liberties.

416.2 DEFINITIONS

ALERT -A visual and/or auditory notice that is triggered when the ALPR system receives a potential "hit" on a license plate.

Automated License Plate Reader (ALPR) - A device that uses cameras and computer technology to compare digital images to lists of known license plates of interest.

ALPR Manufacturer - A public safety company that supplies ALPR systems, associated equipment, and houses data collected from their ALPR systems.

Hit - A read matched to a plate that has previously been registered in a "hot list" of vehicle plates related to stolen vehicles, or other factors supporting investigation, or which has been manually registered by a user for further investigation.

Hotlist - A list of license plate numbers associated with vehicles of interest either from NCIC, TIME, other criminal justice databases, or from individual alerts created by department members regarding vehicles of interest in specific investigations. These lists serve as officer safety and/or investigatory purposes. All entries into the department hotlist must be approved by a supervisor.

Read - Digital images of license plates and associated vehicle metadata (e.g. date, time, and geographic coordinates associated with the vehicle image capture) that are captured by the ALPR system.

ALPR Administrator - The Chief of Police or designee responsible for administrative duties relating to our ALPR system, including training, hotlist maintenance, and liaison with ALPR representatives.

416.3 ADMINISTRATION OF ALPR DATA

Automated License Plate Reader (ALPR) technology, also known as license plate recognition, provides automated detection of license plates, associated vehicle data, and other meta data. ALPRs are used by the Germantown Police Department to gather data associated with vehicle license plates for official law enforcement purposes. ALPR data is "anonymous" in the sense that no ALPR read can be tied to any particular individual without further investigation.

416.4 SUPERVISION RESPONSIBILITIES

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Chief of Police and/or designee. The Chief of Police will assign personnel under their command to administer the day-to-day operation of the ALPR equipment and data.

Germantown Police Department

Policy Manual

Automated License Plate Readers (ALPR)

Designated supervisors shall:

- (a) Provide or oversee the training of all Officers and civilian employees who are authorized to operate an ALPR or to access or use ALPR stored data.
- (b) Ensure compliance with this directive.

416.5 ALPR OPERATION

Use of an ALPR system is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) An ALPR shall only be used for official and legitimate law enforcement business.
- (b) An ALPR may be used in conjunction with any patrol operation or official department investigation. Reasonable suspicion or probable cause is not necessary before using an ALPR.
- (c) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (d) An officer should verify an ALPR response through the Transaction Information for the Management of Enforcement (TIME) system of National Law Enforcement Telecommunications System (NLETS) before taking enforcement action that is based solely upon an ALPR alert.
- (e) All entries into the Department Hotlist shall be approved by a supervisor.
- (f) Department supervisors are responsible for ensuring that Hotlist entries are properly entered and removed when necessary.
- (g) Searches of historical data within the ALPR system shall be done in accordance with policy and legal requirements. Users shall report errors in ALPR data to the System Administrator as soon as possible.
- (h) Requests for GPD ALPR data or use by other agencies should follow the criteria outlined above and shall be authorized by a supervisor. Department members that receive authorization shall ensure that the request is for legitimate law enforcement reasons and note the agency and the agency case number in the "Search Reason" field. Requests for other agencies shall be completed on the appropriate electronic form.
- (i) Blanket searches absent a bona fide reason are strictly prohibited. The only exception is for training and/or demonstration purposes and will be labeled as such.

416.6 ALPR ALERTS / HITS

- (a) Officers shall visually verify that the vehicle plate number matches the plate number run by the ALPR system, including both the alphanumeric characters of the license plate and the state of issuance.
- (b) Officers shall verify the current status of the plate through dispatch or a query of NCIC, TIME, or other official database, unless doing so would create a threat to safety.

Automated License Plate Readers (ALPR)

- (c) An ALPR alert for a stolen or felony vehicle does not rise to the level of reasonable suspicion or probable cause without confirmation that the underlying reason for the alert still exists.
- (d) If an ALPR Alert cannot be verified both visually and for validity, members shall not act on it.

ALPR data received from other law enforcement agencies, whether through the GPD ALPR or otherwise, is subject to the same procedures of the policy.

416.7 ALPR DATA COLLECTION

ALPR information gathered and retained by the department may be used and shared with prosecutors or others only as permitted by the law.

Data gathered from the ALPR Manufacturer system will be stored on their server for 30 days. Data that has been determined to be of evidentiary value shall be downloaded from the server and preserved in accordance with procedures for digital evidence collection and preservation.

416.8 ACCOUNTABILITY AND SAFEGUARDS

All saved data will be closely safeguarded and protected by both procedural and technological means. The Germantown Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Information Services Manager and processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password-protected system capable of documenting all access to information by name, date, and time.
- (c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relates to a specific criminal investigation or department-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies at any time for legitimate law enforcement purposes.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: September 8, 2026

PLACEMENT: Action Item

ITEM TITLE: One-Time Temporary Outdoor Entertainment Permit for Buzdum's Pub & Grill, W188N10515 Maple Rd, on 9/11/26-9/12/26 for the US Kubb Club Championship Event (ACTION)

SUBMITTED BY: Kasie Miller, Chief Deputy Clerk

SUMMARY EXPLANATION:

Applicant Becky Buzdum of Buzdum's Pub & Grill, W188N10515 Maple Rd, has submitted an application for a One-Time Temporary Outdoor Entertainment Permit for the US Kubb Club Championship event held at their property on September 11, 2026, from 6:00PM until 10:00PM, and September 12, 2026, from 9:00AM until 11:00PM. Multiple tents will be used to shelter participants and the DJ/Band to play amplified music. Five-hundred foot notices were mailed to adjacent property owners on 08/12/2026.

Police, Fire, and Community Development Departments have provided approval of this application with recommended contingencies.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: September 8, 2026

PLACEMENT: Action Item

ITEM TITLE: Replacment of Ford F-150 Police Responder Squad Involved in a Crash (ACTION)

SUBMITTED BY: Patrick Merten, Police Chief

SUMMARY EXPLANATION:

The Germantown Police Department is requesting approval to purchase a new 2027 Ford F-150 Police Responder to replace a department squad vehicle that was recently totaled as a result of a motor vehicle crash.

On Sunday, August 16, 2026, a Germantown Police Department squad car was struck by another vehicle after the other driver crossed the centerline of the roadway. As a result of the collision, the squad car tipped onto its passenger side and sustained extensive, major damage. Following the crash, the vehicle was inspected by the insurance company and determined to be a total loss. The insurance company will cover the replacement cost of the squad vehicle. The applicable insurance deductible will also be submitted to the other driver's insurance company for reimbursement.

The Department is requesting authorization to purchase a 2027 Ford F-150 Police Responder as the replacement vehicle. This vehicle will provide the Department with a suitable replacement for the totaled squad and will allow the Department to maintain its operational capabilities and fleet needs.

At this time, there are no new F-150 Police Responder vehicles readily available for purchase. Therefore, the replacement vehicle will need to be ordered from the manufacturer. Ordering the vehicle will allow the Department to begin the replacement process as soon as possible while awaiting production and delivery.

1 – Ford F-150 Police Responder \$48,727.00

The replacement vehicle will be funded through the insurance proceeds associated with the totaled squad car. The Department does not anticipate an out-of-pocket vehicle replacement cost, other than any applicable deductible or related expenses that will be pursued through the responsible driver's insurance coverage.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: September 8, 2026

PLACEMENT: Action Item

ITEM TITLE: 2026 Squad Changeover Amendments (ACTION)

SUBMITTED BY: Patrick Merten, Police Chief

SUMMARY EXPLANATION:

The Police Department budgeted for the changeover of Squads 14 and 23 in the 2026 Capital Fund. The initial quotes for the squad changeovers did not include several items that were either out of warranty, damaged or not replaced following a crash, worn parts, upgrades, or equipment necessary for high-risk traffic stops.

The updated invoices for the changeovers are as follows:

- **Squad 14:** Initial Quote - \$9,561.50 / Final Bill - \$12,082.26 / Difference = \$2,521.06
- **Squad 23:** Initial Quote - \$9,287.20 / Final Bill - \$14,096.99 / Difference = \$4,809.79

The additional cost of \$7,330.85 for the changeovers will be paid from Capital Fund 40541000-592200 – Vehicles. Sufficient funds are available within the 2026 Capital Fund to cover the additional expenses.

ATTACHMENT:

1. Squad 14 Changeover
2. Squad 23 Changeover

STAFF RECOMMENDATION:

Move to recommend approval of funding for the changeover of two squads in the amount of \$26,179.25.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE

MEETING DATE: September 8, 2026

PLACEMENT: Ordinance

ITEM TITLE: An Ordinance Repealing and Recreating Section 7.12 of the Germantown Municipal Code Relating to Regulation of Bicycles, Electric Bicycles, Electric Scooters, and Other Vehicles (ACTION)

SUBMITTED BY: Brian Sajdak, Attorney

SUMMARY EXPLANATION:

Over the past several years, modes of personal transportation have evolved significantly, making it necessary for the Village to review and update its regulations governing their use. Electric bicycles (e-bikes) have become an increasingly popular mode of transportation for individuals of all ages, particularly younger riders and those who benefit from the assistance of an electric motor.

The Village's current ordinance addresses only traditional pedal bicycles. Under Wisconsin law, electric bicycles equipped with factory-installed, operable pedals are classified as bicycles and are generally subject to the same rules of the road. However, the growing variety of personal transportation devices—including electric bicycles, electric scooters, skateboards, in-line skates, and other play vehicles—has created a need for greater clarity within the Village Code.

Many municipalities have updated their ordinances to distinguish between these different modes of transportation and establish regulations that reflect their unique characteristics. Adopting similar ordinance revisions will provide clearer guidance regarding where these devices may be operated, the responsibilities of their operators, and the expectations for safe use within the Village. These updates will improve public understanding, enhance safety for both users and pedestrians, and provide law enforcement with clear and consistent regulations for enforcement.

At the last Public Safety Committee meeting, the Committee directed the Village Attorney to prepare a draft ordinance for consideration. That draft is attached, and is based upon the current statutory scheme for regulating these devices and also ordinances from other communities. There are a couple of points to highlight and could be the source of further discussion and direction:

1. The current ordinance requires a license for bicycles. The proposed ordinance continues that requirement and extends the requirement to electric bicycles and

motor bicycles. Note that under Wis. Stat. § 349.18(2), it appears that the Village cannot require licenses for e-scooters.

2. The current ordinance prohibits bikes only on the pathway in Cedar Hills. This singular prohibition carries through to the draft ordinance. The Village could consider adding other sidewalks that are off-limits to bikes, e-bikes, e-scooters too.
3. The draft ordinance includes regulations that require safety equipment, parking of devices, and prohibition of abandonment.
4. E-Motos (purely electric non-pedal assisted vehicles) are somewhat nebulous. They are not defined by state law, and are essentially prohibited from being operated on a public road unless they are registered with the DOT. However, the DOT does not register them currently, so they are effectively illegal to drive on the road. The draft ordinance codifies this prohibition.
5. Under Wis. Stat. § 346.78, play vehicles are prohibited from being operated in the roadway, unless using a crosswalk. The draft ordinance includes this prohibition.
6. The draft ordinance bans the commercial rental of scooters (Bird, Lime, etc.) within the Village. Despite their popularity in other communities, we have not seen any efforts to expand here.

STAFF RECOMMENDATION:

Move to recommend approval of Ordinance Repealing and Recreating Section 7.12 of the Germantown Municipal Code Relating to Regulation of Bicycles, Electric Bicycles, Electric Scooters, and Other Vehicles

ACTION BY COMMITTEE:

ORDINANCE NO. ____-2026

AN ORDINANCE REPEALING AND RECREATING SECTION 7.12 OF THE
GERMANTOWN MUNICIPAL CODE RELATING TO REGULATION OF BICYCLES,
ELECTRIC BICYCLES, ELECTRIC SCOOTERS, AND OTHER VEHICLES

WHEREAS, the Village Board previously adopted Section 7.12 of the Germantown Municipal Code to regulate the use and operation of bicycles within the Village; and

WHEREAS, the Village Board desires to repeal and recreate Section 7.12 to clarify the regulations applicable to bicycles, and to establish regulations governing the use and operation of electric bicycles, electric scooters, and other similar vehicles; and

WHEREAS, the regulation of bicycles, electric bicycles, electric scooters, and other similar vehicles advances the health, safety, and welfare of the community.

NOW, THEREFORE, the Village Board of the Village of Germantown, Wisconsin, do ordain as follows:

SECTION I

Section 7.12 of the Germantown Municipal Code is repealed and recreated to read as follows:

7.12 - BICYCLES, ELECTRIC BICYCLES, ELECTRIC SCOOTERS, AND OTHER VEHICLES.

(1) **DEFINITIONS.** For the purposes of this section, the following definitions shall be used:

(a) **BICYCLE** has the same meaning as provided in Wis. Stat. § 340.01(5).

(b) **BICYCLE LANE** has the same meaning as provided in Wis. Stat. § 340.01(5e).

(c) **BICYCLE WAY** has the same meaning as provided in Wis. Stat. § 340.01(5s).

(d) **ELECTRIC BICYCLE** has the same meaning as provided in Wis. Stat. § 340.01(15ph).

(e) **ELECTRIC PERSONAL ASSISTIVE MOBILITY**

DEVICE has the same meaning as provided in Wis. Stat. § 340.01(15pm).

(f) **ELECTRIC SCOOTER** has the same meaning as provided in Wis. Stat. § 340.01(15ps).

(g) **E-MOTO** means any type of device with an electric motor greater than 750 watts, capable of speeds greater than 20 miles per hour without pedal assist, or otherwise operates beyond the definition of an electric bicycle or electric scooter.

(h) **HIGHWAY** has the same meaning as provided in Wis. Stat. § 340.01(22).

(i) **MOPED** has the same meaning as provided in Wis. Stat. § 340.01(29m).

(j) **MOTOR BICYCLE** has the same meaning as provided in Wis. Stat. § 340.01(30).

(k) **PLAY VEHICLE** has the same meaning as provided in Wis. Stat. § 340.01(43m).

(l) **ROADWAY** has the same meaning as provided in Wis. Stat. § 340.01(54).

(2) REGISTRATION OF BICYCLES, ELECTRIC BICYCLES, AND MOTOR BICYCLES.

(a) Registration Required. No person shall operate a bicycle, electric bicycle, or motor bicycle customarily kept within the Village upon any highway, roadway, sidewalk, or public way unless such bicycle, electric bicycle, or motor bicycle has been properly registered with the Village as provided in this subsection.

(b) Application for Registration. Application for a bicycle, electric bicycle, or motor bicycle registration shall be made on a form provided by the Chief of Police. This application shall constitute the registration of such bicycle, electric bicycle, or motor bicycle. If any person acquires any registered or unregistered bicycle, electric bicycle, or motor bicycle, they shall immediately register such bicycle, electric bicycle, or motor bicycle with the Police Department, except that a person who acquires a bicycle, electric bicycle, or motor bicycle from a member of the immediate family need not reregister.

(c) Registration Sticker. The Chief of Police shall furnish to each registrant an identification sticker serially numbered to correspond with the

registration number. Such sticker shall be affixed to the bicycle, electric bicycle, or motor bicycle and remain so affixed until removed for replacement with another sticker upon reregistration.

(d) Registration Fee. The registration fee for each bicycle, electric bicycle, or motor bicycle shall be \$5.00 for the period the bicycle, electric bicycle, or motor bicycle is owned by the registered owner or a member of the immediate family.

(3) **GENERAL REGULATIONS FOR OPERATION.**

(a) Traffic Laws Apply. Every person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon a highway or roadway shall be subject to all Village ordinances and state laws applicable to the operator of a vehicle, except as to those provisions that by their express terms apply only to motor vehicles or which by their nature can have no application.

(b) Where Prohibited. No person may operate a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon any highway, roadway, sidewalk, trail, path, or public way where a sign is erected indicating that bicycles, electric bicycles, electric scooters, motor bicycles, and/or electric personal assistive mobility device are prohibited.

(c) Operation on Highways or Roadways.

1. Every person operating a bicycle, electric bicycle, electric scooter, motor bicycle, and/or electric personal assistive mobility device upon a highway or roadway shall obey all traffic control devices, signs, posted speed limits, and signals applicable to motor vehicles.

2. Every person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon a highway or roadway shall ride as near to the right side of the highway or roadway as practical, exercising due care when passing a standing vehicle or one proceeding in the same direction.

3. Persons operating bicycles, electric bicycles, electric scooters, motor bicycles, or electric personal assistive mobility devices upon a highway or roadway shall ride single file.

4. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon a highway or roadway shall impede the normal movement of motor vehicle traffic.

5. No person shall operate a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device at a speed greater than is reasonable and prudent under existing conditions or in excess of any posted speed limit.

(d) Operation on Sidewalks. Except as provided in subsection (e) below, any person may operate a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device on sidewalks, subject to the following restrictions:

1. Bicycles, electric bicycles, electric scooters, motor bicycles, and electric personal assistive mobility devices shall be operated at a moderate speed when no pedestrian is in the area, and at a slow speed when pedestrians are present.

2. Every person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon a sidewalk shall yield the right-of-way to pedestrians at all times.

3. Persons operating bicycles, electric bicycles, electric scooters, motor bicycles, or electric personal assistive mobility devices upon a sidewalk shall ride single file.

4. Electric bicycles, electric scooters, and motor bicycles operating upon a sidewalk shall have the power unit or component turned off during operation.

5. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device upon a sidewalk shall attempt to pass another person traveling in the same direction on said sidewalk before providing an audible warning.

6. Pedestrians shall at all times have the right-of-way upon sidewalks and, if necessary, a person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall dismount and vacate the sidewalk to prevent a collision.

(e) Prohibited Sidewalks. No person may operate a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device on any of the following sidewalks and pathways:

1. The pathway located in Cedar Hills Subdivisions between Lots 43 and 44, Lots 44 and 27, and Lots 26 and 27. Lots 43 and 44 are located on Redwood Land and Lots 26 and 27 are located on Juniper Drive.

(f) Clinging to Other Vehicles and Towing.

1. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall attach their bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device to any other moving vehicle.

2. The operator of any bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall not tow, drag, or cause to be drawn behind the bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device any coaster, sled, play vehicle, trailer (designed for a motor vehicle), person, or any other similar object or vehicle. This subsection does not prohibit the towing of trailers designed to be towed by bicycles or electric bicycles

(g) Passengers. No bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall be used to carry more persons at one time than the number for which it is designed or equipped.

(h) Age Limit. No person under 16 years of age may operate a class 3 electric bicycle.

(i) Improper Operating.

1. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall participate in any race, speed, or endurance contest with other moving vehicles.

2. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall perform or attempt to perform any acrobatics or stunt riding.

3. No person operating a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall endanger the safety of any person or property by the negligent or reckless operation of a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device.

(j) Safety Equipment Required. No person may operate a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device during hours of darkness unless such bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device is equipped with or the operator is wearing a lamp emitting a white light visible from a distance of at least 500 feet to the front of such bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device. Such bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device shall also be equipped with a red reflector that has a diameter of at least two inches of surface area on the rear so mounted and maintained as to be visible from all distances from 50 to 500 feet to the rear when directly in front of lawful upper beams of headlamps on a motor vehicle. A lamp emitting a red light visible from a distance of 500 feet to the rear may be used in addition to but not in lieu of the red reflector.

(k) Parking. No person shall leave or park a bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device at such a place or in such a way as to create a hazard to pedestrians, motor vehicle operators, or to anyone else. Bicycles, electric bicycles, electric scooters, motor bicycles, and electric personal assistive mobility devices shall be parked either upon the highway or roadway against the curb, in bicycle racks or, if on the sidewalk, in such a manner as to afford the least obstruction to pedestrian traffic, and not in such a manner as to obstruct the ingress and egress to buildings used by the public. Bicycles, electric bicycles, electric scooters, motor bicycles, and electric personal assistive mobility devices may not be affixed to traffic signal posts or trees. Law enforcement officers may remove and impound any bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device parked in violation of this subsection.

(l) Abandonment. No person shall abandon any bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device on any highway, roadway, sidewalk, or any public or private property within the Village, and no person shall leave or park any bicycle, electric bicycle, electric scooter, or motor bicycle unattended on any highway, roadway, sidewalk, or public or private property within the Village for such time and under such circumstances as to cause the bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device reasonably to appear to have been abandoned. Law enforcement officers may remove and impound any bicycle, electric bicycle, electric scooter, motor bicycle, or electric personal assistive mobility device reasonably believed to have been abandoned in violation of this subsection.

(4) **E-MOTOS AND MOPEDS.**

(a) No person shall operate an e-moto or moped upon a highway, roadway, or sidewalk, unless the e-moto or moped is registered with the Wisconsin Department of Transportation and is operated by a person who is at least 16 years of age and holds a valid license or permit.

(b) No person shall operate an e-moto upon any sidewalk, trail, path, public way, or other public property within the Village.

(5) **PLAY VEHICLES.** No person shall operate or ride upon any play vehicle upon any highway or roadway, except while crossing the highway or roadway at a crosswalk.

(6) **COMMERCIAL RENTAL OF ELECTRIC SCOOTERS PROHIBITED.** No person or business shall offer short-term commercial rental of electric scooters to the public.

(7) **PENALTIES.**

(a) Any person who shall violate any provision of this section shall be subject to a penalty as provided in section 25.04 of this Code.

(b) Any parent or guardian of any child who authorizes or knowingly permits such child to violate this section may be subject to the provisions of Wis. Stats. §§ 346.77 and 346.82(1).

SECTION II

The terms and provisions of this ordinance are severable. Should any term or provision of this ordinance be found to be invalid by a court of competent jurisdiction, the remaining terms and provisions shall remain in full force and effect.

SECTION III

All ordinances or parts of ordinances contravening the terms of this ordinance are hereby to that extent repealed.

SECTION IV

This ordinance shall take effect and be in full force upon its passage and the day after its publication.
