MEETING MINUTES
PUBLIC SAFETY COMMITTEE MEETING
FEBRUARY 3, 2014
GERMANTOWN POLICE DEPARTMENT ANNEX

CALL: The meeting was called to order at 5:30 p.m. by Chairman Werderman.

ROLL CALL: Chairman Werderman, Trustees Daniels and Hughes were present. Trustee Ewert arrived at 5:39 p.m.

Also present were Chief Hoell, Deputy Fire Chief Maury, Deputy Fire Chief Stark, and Captain Karpinski.

PUBLIC COMMENT: No discussion.

APPROVAL OF MINUTES: a motion was made by Hughes, seconded by Daniels, to approve the minutes of the January 6, 2014 Public Safety Committee Meeting. Motion carried unanimously.

POLICE DEPARTMENT MONTHLY REPORT: Hoell reported that traffic crashes were up for 2013, OWI arrests were down, adult arrests, thefts and drug arrests were up, juvenile arrests were down. He advised that the annual report will have all the final numbers for 2013.

Hoell stated that the department's Facebook page is getting a lot of attention and continues to be a good means for communicating with the public.

Also discussed were traffic grants, department staffing, bond amounts for citations, and recent squad accidents. Hoell stated the accidents would be covered by the other drivers' insurances.

FIRE DEPARTMENT MONTHLY REPORT: Maury reported that fire calls and EMS calls were up. He stated that some of the fire drills had been cancelled due to inclement weather.

Karpinski reported on EMS situations and advised that calls for service have been increasing and the number of calls that overlap are also on the rise. He also commented on training that had taken place and upcoming training events. Karpinski stated that a meeting regarding the multi vehicle crashes on 41 in December resulted in additional signage and traffic cameras, a plan to install ramp gates in 2015 at CTH Q and Holy Hill Road, and message boards at Lannon Rd. Karpinski also advised that Germantown was featured in the Flight For Life newsletter regarding patient care issues, and the department was also involved with the State Trauma Advisory Committee.

Maury noted that at a recent convention in Milwaukee, Karpinski was recognized for his length of service.

Werderman reported that response times were good and asked how the weekend shifts were working out, Stark responded they were going well and the extra staffing was allowing them to respond to multiple calls coming in simultaneously.

OVERTIME REPORTS FOR POLICE & FIRE DEPARTMENT: No discussion.

POLICY UPDATES: No discussion.

DISCUSSION OF BURNING REGULATIONS: Maury advised that Delain was unable to attend tonight's meeting and was still working on the draft copy for the committee to review, he requested this item to be carried over to next month's meeting. Werderman stated this item would be placed on the March agenda under Unfinished Business.

CONTRACT WITH GRAEF FOR TRAFFIC STUDY ON INTERSECTION OF FREISTADT/MAPLE: Werderman advised this item had been previously discussed by Public Works and Village Board and was referred to Public Safety so the police department would have an opportunity to review their data for this intersection. Hoell stated that Lt. Grenier had compiled the accident history for that location since 2011 and found 18 crashes for the past 3 years to date. He noted the accidents have increased in frequency with 2 accidents in 2011 and 8 in 2013 with 5 of those involving injuries. He added that most of the accidents involve failure to yield and misjudgment of timing as a cause. He stated there are some options which could be considered for improving this intersection, such as creating a roundabout, lowering the speed limit, or installing 4-way stop signs. He said that a roundabout would work well at this location with the type of traffic flow it has, lowering the speed limit would likely not affect the number of accidents, and if a 4-way stop is considered, there would need to be substantial signage due to the double lanes and maybe one lane would need to be designated as right turn only. Hoell indicated a study by a traffic engineer could result in other options better suited for that intersection.

Discussion followed with Hughes questioning whether the best option would be to have a traffic professional do a study on this intersection and Ewert agreed that he felt the best course would be to have a traffic engineer look at it. Werderman stated he had wanted to see the numbers the police department could provide so that everyone had the correct information regarding accident history at that location.

A motion was made by Ewert, seconded by Hughes, to forward this item to Village Board with a recommendation that the Village refer this matter to Graef for a traffic study to be conducted by a professional traffic engineer for an expert opinion on concerns with the intersection of Freistadt and Maple. Motion carried unanimously. Werderman added that this request for a study could define what Graef is to look for and include a dollar amount that can be spent.

RIFLE PURCHASE - POLICE DEPARTMENT: Hoell stated the department is requesting to purchase 20 new rifles for the squads to replace the current ones which are over 15 years old. He advised bids had been received from Phoenix Distributors, Bravo Company and Streicher's, and while Phoenix and Streicher's had submitted low bid, Phoenix had a delivery date of 60 to 120 days, and the other two could not provide a delivery date. Hoell requested approval to purchase the rifles from Phoenix Distributors for $16,800 which is under budget.

A motion was made by Daniels, seconded by Ewert, to forward this purchase request to Village Board with a recommendation of approval for the purchase of 20 riffles from Phoenix Distributors at a cost not to exceed $16,800.00. Motion carried unanimously.

PHILIPS MRX PURCHASE GERMANTOWN FIRE DEPARTMENT: Karpinski advised the department is requesting to purchase 5 new Philips MRx heart monitors. He explained that last year money had been budgeted to upgrade the monitors they are currently using but after researching the costs it was determined that to purchase new units was a better option. Karpinski also advised they were able to eliminate the need to purchase through a dealer and would realize a 37% savings by purchasing directly from Philips. He stated the cost for the five units would be $104,295.70 which includes 2 years of service, and that $63,000 was carried over from the 2013 budget. He also advised that the service agreement cost of $17,388 could be distributed over a 4 year period if it is not paid up front.

Discussion followed with Hughes stating that they money for this purchase has not yet been approved for spending and he would prefer to wait until that has been done. Werderman advised the motion could stipulate that, and Daniels made a motion to forward this purchase request to Village Board with a positive recommendation contingent upon the final borrowing numbers being passed. Motion was seconded by Ewert and carried unanimously.

NEXT MEETING: Werderman advised next month's meeting would be held on Monday, March 3, 2014 at 6:00 p.m. instead of 5:30 p.m. Committee members agreed to the time change.

ADJOURNMENT: there being no further business, the meeting was adjourned at 6:23 p.m.

Justin,

Please see below. Good work!

Facebook Message from Rick Langhammer
Wanted to thank the officer who checked on me a few times on Thurs night/Fri morning while waiting for a tow for my sons car @ Mequon and County Aire. I didn't catch his name, but I think you know him. Was very comforting to know he was thinking of me sitting there for 3 1/2 hours on the side of Mequon road. Makes you understand the risks your Officers take every day!!! You guys are great! Keep up the good work!!! And buy that officer a hot cup of coffee Starbucks coffee...just send me the bill. Lol! (BTW...I would gladly pick up that tab).

Dear Officer ~~Steve~~ Stieve,

Re: Austin Zold

I want to thank you so much for assisting my son Austin Zold on 1/28/14.

You truly exemplified the motto to "Serve & Protect". It was bitter cold that day & you were so kind to keep him safe & warm.

I just had to stop in & say

THANK YOU!

SS 128

Laurie Zold!

Chief Hoell:

We had to call 911 after our chimney caught on fire Saturday night. Officer Shawn Jones responded and was great. He took the time to make sure we were OK and was a calming presence in a somewhat chaotic scene. This comes in addition to my wife collapsing about a year ago while undergoing radiation treatment for ovarian cancer. We had to call for an ambulance in that case and Officer Shawn Martin helped us out on that call. Again, he was a calming presence in an extremely stressful situation. Please pass along my thanks to them as well as the dispatchers who have answered our calls for help. I appreciate each of them more than you know.

Best,

Chief Hoell-

My Name is Sgt Erik Gehrke of the Lake Bluff Police Department in Illinois. On 2/17/14 sometime around 1600hrs, my mother Suzanne Gehrke was stranded on the side of Rt. 41 in the "thundersnow" storm, when an Officer stopped to check on her and was able to get her to a local hotel. In addition, the Officer even fixed her windshield wiper for her while she was at the hotel.

Her husband, my father Herbert Gehrke, was a retired Deputy Chief of the Lake Zurich Police Department after serving 30 years. He unfortunately passed away suddenly in 2012. So it means a lot to my mother when an Officer goes above and beyond and shows her great compassion, as your Officer did. I got it third hand that the Officer might be William Coolet, but I can't confirm it. If that is correct, please pass on my personal debt of gratitude for taking care of my mother.

Sincerely,
Sgt Gehrke #129

Subject: Officer Shawn Jones

To the Chief of Police,

On February 17 in the afternoon, I was parked alongside a side road, having experienced a white out on the expressway from the snowstorm. I was very shaken, I had just made it off of the highway and my wipers had frozen up. I was in a rental car, driving to a work assignment in Neenah, WI from Chicago. I got out of my vehicle and was removing the ice from the windshield, when one of the wipers snapped off. I still had quite a ways to drive and now I could only see out of one side of the vehicle. I was starting to panic, and your officer Shawn Jones pulled along side of me. He asked if I needed help and I decided I was too shaken to continue driving. He stepped out of his vehicle, during the snow storm and talked to me. He had me follow him to the Best Western and gave me directions to the local Walmart for a new wiper blade. I was too shaken up to drive any more, and I went into the hotel and decided I was going to wait out the storm for the night. During the evening I went to the front desk to ask a question and the clerk mentioned that your officer had been back to the hotel, and fixed my wiper. The next morning I realized he had not only fixed it, he had replaced it! I assume he used his own money, and I was extremely grateful!

I was married to a police chief, who started as a patrolman, and understand what officers can and cannot do. I wanted to commend your officer for going above and beyond his duty to help me. I was emotional, (my husband passed away last year) feeling vulnerable and alone. His gesture of goodwill was appreciated more than he will ever know.

Please give him my thanks. I teach customer service skills to corporations and he showed exemplary stellar service skills. I have spent years defending my husband (and now son) in the police profession, and I used Officer Shawn Jones as an example in my classes this week.

You might think that he was only exhibiting professional courtesy, but he did not know until after his help that I was a police wife.

Kind regards,

Germantown Fire Dept.

Monthly Report
January, 2014

Prepared by, Firefighter / EMT John Delain

Category Index

Explanation: All of the categories used in the Fire Alarm Situations portion of the report are taken from the National Incident Fire Reporting (NFIRS) report used to report to the U.S. Fire Administration. Some of the categories are subjective and are the best fit for the incident that was responded to.

1. Accident, Potential Accident:
2. Animal Problem or Rescue: To assist an animal in distress or free themselves. Ex. Deer trapped in pond, Cat in tree.
3. Bomb Scare: To provide fire and / or EMS protection in the event a bomb is found or reported.
4. Chemical Release: The discharge of any known or unknown chemical. Ex. Possible Ammonia release.
5. Combustible / Flammable Spills: The release of Diesel Fuel or Gasoline type fluid.
6. Canceled En Route: Canceled while responding to a call.
7. Controlled Burns: A report of a fire that was authorized, but was unknown of that until arrival. Ex. A valid burning permit was issued, and ordinance was being followed, but was unknown to responding units prior to arrival.
8. Cover Assignment / Stand By: Mutual aid to either stand by at a different agency's quarters. Ex. Mutual aid to Mequon with an engine to stand by when they have a major alarm.
9. Cultivated vegetation, Crop Fire: A fire in a field where the crop has been cultivated. Ex. A corn field fire after the corn has been harvested.
10. Electrical Wiring Problem: A hazardous condition caused by faulty electrical systems. Ex. Melted wiring due to an overloaded circuit.
11. Explosive: Bomb removal: To assist with the disposal of an explosive. Ex. Assisting the bomb squad with removing an incendiary device.
12. Explosion: Report of an explosion. Ex. Electrical transformer blew up.
13. Scorch Burns with no Fire: Fire had been present at some time, but was not active at time of arrival.
14. Extrication: Car accident or industrial accident where a mechanical means of patient removal was needed.
15. False Alarm and False call: No cause for the received alarm.
16. Fire Other: A fire call that does not fit into any other category.
17. Hazardous Condition: A call containing a hazardous atmosphere, usually non symptomatic Carbon Monoxide calls.
18. Hazmat Release Investigation: A call for an unconfirmed chemical release. Ex. The smell of natural gas in the area of the power plant.

19. Lock In: A person(s) locked in a location needing assistance getting out.
20. Malicious False Alarm: A false alarm set intentionally.
21. Mobile Property Fire: A fire in a mobile object. Ex. Car or truck fire.
22. Medical Assist: Assist the medical crew on scene.
23. Natural Vegetation Fire: Grass / Field fire.
24. Outside Rubbish Fire: Fire in garbage cans dumpsters, and accumulations of debris.
25. Overpressure / Rupture: When a compressed cylinder releases its contense. Ex. A propane tank is overfilled and begins to off gas.
26. Person in distress: Generalized category.
27. Public service assistance: Generalized category used when somebody may just need help.
28. Emergency Medical Call: When a fire apparatus responds to a scene as a first responder, when mutual aid is called.
29. Search for Lost Person: Assist in searching for a lost person.
30. Other: Other
31. Severe weather / Natural Disaster. Calls that may pertain to in climate weather. Ex. Search an area after a tornado.
32. Smoke / Oder problem: A call received for "smoke in the building, or The smell of something burning".
33. Special Type of Incident: An incident that may not be in the other classifications. Ex. High angle rescue, dive team.
34. Special outside fire: Ex. A tree on fire in a yard.
35. Steam or Gas Mistaken for Smoke: A call that is reported as smoke is found to be steam upon arrival. Ex. Respond to a car fire, upon arrival find that it is overheating.
36. Structure Fire: Fire in any structure. Ex. House Fire.
37. Unauthorized Burning: A call or complaint for someone who is burning without a permit, or outside village ordinance.
38. Detector Malfunction: A call for a fire alarm that upon arrival is found not to be a fire, but an alarm system that was not working correctly.
39. Water Problem: Fire sprinkle pipe burst.
40. Wrong location, no emergency: Crews were dispatched to the wrong location.
41. Unintentional Detector Operation: Fire alarm summoned the fire department due to a condition that may be present, but not a real situation. Ex. Smoke in a house due to burnt food.

EMS Situations

1. Pulse less Non-Breathing: A person with no pulse who is not breathing, CPR is usually conducted and an Automated External Defibulator is applied.
2. Motor Vehicle Crash with injuries: Vehicle accidents where patients were transported to the hospital.
3. Cardiac: Patients with cardiac chest pain, disrythmias, Congestive Heart Failure, Myocardial Infarction (Heart Attack).
4. Diabetic: Patient with either low or high blood glucose levels, patient may be conscious or unconscious, or may be combative and incoherent.
5. Altered Level of Conscious: Patients who are not aware of where they are, who they are, what time it is, or what day it is. May be some of the above symptoms or all, or a combination.
6. Routine EMS call: Could be any number of things, difficulty breathing, fell out of bed, not feeling well, pain, feeling weak, headache, abdominal pain, lift assist.
7. Drugs / Alcohol: Patients that are transported due to problems known to be caused by drugs or alcohol.
8. Trauma: Calls that are due to injury instead of illness. Ex. Fall and hit head, broken leg.
9. DOA: Patient is dead on arrival, no CPR will be performed, medical examiner will be called to the scene.
10. Industrial Accidents: Injuries that occur at a business that are caused by occupational hazard. Ex. Arm amputated by a machine.
11. Suicide: When one kills one's self.
12. Attempted Suicide: When one does not succeed at the above category.
13. Carbon Monoxide: A call that is received for a Carbon Monoxide detector activation in a residence, or when symptoms match that of Carbon Monoxide poisoning and the area is monitored and detected by F.D. personal.

By reading the above descriptions you can see that some of these categories overlap each other, for example, a diabetic may present as an altered level of consciousness, or a person who is under the influence of drugs or alcohol may fit the altered level of consciousness category. Calls are categorized by the best fit according to the written EMS report.

BUSINESS OF THE PUBLIC SAFETY COMMITTEE
VILLAGE OF GERMANTOWN

MEETING DATE: March 3, 2014

AGENDA ITEM: Amending Section 12.16(3) Relating to the Licensing of Cats in the Village.

SUBMITTED BY: Christine M. Micka, Deputy Clerk

SUMMARY EXPLANATION: During the renewal process for the animal fancier permits, it was discovered that the section of the code pertaining to animal fancier establishments did not include the licensing of cats, as listed in Section 12.15(3)(b). The code amendment adds the licensing of cats to Section 12.16(3)(f).

ATTACHMENTS:
Proposed ordinance amendment.

RECOMMENDATION:
Approve the ordinance updating the provisions in Section 12.16(3)(d), (f) and (h) to be consistent with the provisions under Section 12.15(3)(b).

STATE OF WISCONSIN VILLAGE OF GERMANTOWN WASHINGTON COUNTY

ORDINANCE NO. _____-14

AN ORDINANCE AMENDING SECTION 12.16(3) OF
THE MUNICIPAL CODE OF GERMANTOWN AS IT RELATES
TO THE LICENSING OF CATS WITHIN THE VILLAGE

WHEREAS, the Village Board previously adopted Section 12.16(3)(f) of the Municipal Code of Germantown, which requires the licensing of dogs kept pursuant to an animal fancier's permit; and

WHEREAS, the Village Board also previously adopted Section 12.15(3)(b) of the Municipal Code of Germantown, which requires cats within the Village to licensed; and

WHEREAS, the Village Board desires to further clarify that cats kept pursuant to an animal fancier's permit must be licensed; and

WHEREAS, it is in the interests of the public's health, safety and welfare that the Village Board regulate the licensing of animals within the Village;

NOW, THEREFORE, the Village Board of the Village of Germantown, Wisconsin, do ordain as follows:

SECTION I:

Section 12.16(3)(f) of the Municipal Code of Germantown is hereby amended to read as follows (NOTE: Additions are Underlined; Deleted Text is ~~Struckthrough~~):

12.16(3)(f): ***Dogs and cats to be Licensed.*** Any dogs or cats ~~to be~~ kept ~~in an~~ pursuant to an animal fancier's permit~~establishment~~ shall be duly licensed by the Village.

SECTION II:

Section 12.16(3)(d) of the Municipal Code of Germantown is hereby amended to add ", or cats." to the end of the existing paragraph.

SECTION III:

Section 12.16(3)(h) of the Municipal Code of Germantown is hereby amended to read as follows (NOTE: Additions are Underlined; Deleted Text is ~~Struckthrough~~):

(h) Grant or Denial of Permit; Notice. For any initial permit issued hereunder, t~~T~~he Public Safety Committee shall review the application and grant or deny the permit. In addition to the operational requirements of paragraph (g) above, the Committee may require additional conditions and failure to comply with such conditions may be cause for revocation of the permit. While a hearing is not required, a copy of the notice of the meeting at which the application will be acted upon shall be mailed to the owners of property within 300 feet of the applicant's property and the owners of property immediately across the street at least 7 days before the meeting. For any renewal of a permit issued hereunder, notice of the hearing shall be made only when a complaint has been made or such notice is otherwise recommended by the Village Clerk and/or Chief of Police.

SECTION IV:

All ordinances or parts of ordinances contravening the terms of this ordinance are hereby to that extent repealed.

SECTION V:

This ordinance shall take effect and be in full force upon its passage and the day after publication.
