**MEETING MINUTES
PUBLIC SAFETY COMMITTEE MEETING
MAY 5, 2014
GERMANTOWN VILLAGE HALL BOARD ROOM**

CALL: The meeting was called to order at 6:02 p.m. by Chairman Werderman.

ROLL CALL: Chairman Werderman, Trustees Daniels, Hughes and Warren were present. Also present were Chief Hoell, Deputy Fire Chief Maury, Deputy Fire Chief Stark, FF/EMT Delain, and Deputy Clerk Micka.

PUBLIC COMMENT: No discussion.

APPROVAL OF MINUTES: a motion was made by Hughes, seconded by Daniels, to approve the minutes of the April 7, 2014 Public Safety Committee Meeting. Motion carried unanimously.

A motion was made by Hughes, seconded by Daniels, to go to item A under Unfinished Business - Burning Regulations Ordinance, Removal of Wording "Section 10.11.3" under Section 5.11(2). Motion carried unanimously.

BURNING REGULATIONS ORDINANCE - REMOVAL OF THE WORDING "SECTION 10.11.3" UNDER SECTION 5.11(2): Werderman advised this item was brought back to Public Safety at the request of the fire department to remove the wording "Section 10.11.3" in Section 5.11(2) in the new burning ordinance. Delain advised that the wording as is actually restricts enforcement and is unnecessary, and that using the first part of that section "All outdoor burning shall comply with NFPA 1" is sufficient for enforcement purposes.

A motion was made by Daniels, seconded by Hughes, to forward this item to Village Board with a recommendation of approval for the removal of the wording "Section 10.11.3" under Section 5.11(2) of the Burning Regulations Ordinance. Motion carried unanimously.

A motion was made by Hughes, seconded by Warren, to move to New Business, motion carried unanimously.

Discussion followed with Hoell advising the police department had no objections to the applications. Maury advised the fire department did have a concern with Blackstone Creek as they had 2 outstanding violations since April of 2013 with monitoring of the fire alarm system and inspection of fire doors with the large storage building to the west of the property. Maury indicated the violation codes are: 13.7.3.5.1 Automatic Fire Detectors shall be located, maintained and tested in accordance with NFPA 72 and Alarm

Service; and 12.4.6.6.1 Fire door assemblies shall be inspected and tested not less than annually, and a written record of the inspection shall be signed and kept for inspection by the AHJ (80:5.2.1). He added that the Fire Inspector had recommended that issuance of the license be contingent upon having these violations corrected.

Werderman questioned whether there were any late applications, Deputy Clerk Micka advised there are six businesses they are waiting to hear back from, and four applications which had come in late and would be on the June agenda.

A motion was made by Hughes, seconded by Daniels, to forward these applications to Village Board with a recommendation of approval except for Blackstone Creek who will need to meet the conditions as stipulated by the fire department prior to approval. Discussion followed with Micka advising that all applicants will be subject to compliance of all code violations and that all monies owed to the Village need to be paid prior to issuance of licenses. Motion carried unanimously.

POLICE DEPARTMENT MONTHLY REPORT: Hoell updated the committee on recent events including the Youth Futures scrap metal drive; tornado awareness week; anti-heroin rally; the fundraiser brat fry for the Community Health Committee which focuses on mental health issues; and the Citizens on Patrol program. Hoell advised the department was trying out a new retail theft process for first offenses where booking is done at area businesses set up for it including Fleet Farm and Walmart.

Werderman questioned the increase in extra patrols, Hoell stated that sometimes specific events will result in extra patrols such as the recent robbery at Verizon and the storage/warehouse burglaries.

Hughes advised that residents have reported that truck traffic is again becoming an issue, Hoell stated he would put the reminder out to officers.

POLICE DEPARTMENT 2013 ANNUAL REPORT: Hoell stated that the numbers reflected in the annual report are the same as the year end numbers in the December report. He thanked staff and Comm. Supervisor Lynn Schmidt for their work on the report. Hoell reported briefly on some of the year's most memorable events including the number of drug overdoses, the explosives case, and the large-scale traffic crash event in December.

FIRE DEPARTMENT MONTHLY REPORT: Maury reported that fire alarms were up 27%, EMS alarms were down slightly at 4%, and training events included Transportation Time Training and Traffic Incident Management Training. Werderman noted that inspections were down, Maury said that more inspections are done during the latter part of the year and the numbers will even out. Werderman asked how the weekend coverage was working out, Maury stated it was working out well and would like to see it continue.

FIRE DEPARTMENT 2013 ANNUAL REPORT: Maury thanked staff and John Delain for their work on the annual report. He stated their most memorable event was the December traffic crash which tested their resources and responses, and he felt they succeeded and learned from the event. He added they were able to incorporate some of the facets from this event into their training sessions.

Delain went over the response times noted in the report and explained how they can be misleading, he added their response time is within 8 minutes 90% of the time and credited their improved response time to the changes in weekend staffing.

OVERTIME REPORT FOR POLICE DEPARTMENT AND FIRE DEPARTMENT: Werderman noted there was no overtime report included in the packets.

POLICY UPDATES: Hoell advised the police department is still working towards their accreditation.

Maury stated the fire department is working on their firefighter proficiency policy.

NEXT MEETING: Werderman advised next month's meeting would be held on Monday, June 2, 2014 at 6:00 p.m. at the Village Hall Boardroom.

ADJOURNMENT: there being no further business, the meeting was adjourned at 6:55 p.m.

Chief Hoell,

On Sunday, March 30th, around 12:36 a.m., I called 911 to report some type of disturbance taking place between a male and female in the area of Main St and Western Ave in your village.

Although some time has passed, I wanted to take a minute to convey to you the professionalism of all involved with that call. I understand this is a fairly common call, however far too often those contacts go unnoticed.

Your dispatcher very calmly took the call and relayed the information accurately; all while remaining professional with me. The officers all responded in a timely manner and quickly took control of the situation. The only officer I spoke with directly was Officer Dan Mikulec. Ofc. Mikulec was attentive and shed a positive image on the agency he represents.

Again, I understand this call is not much out of the norm, but a positive contact far too often goes unrecognized. I ask that you please take a minute to pass along a "thank you" to all of those involved.

Thank you,

To the Germantown Police Explorer Post 734:

Thank you for participating in the 2014 Washington County Law Enforcement Memorial Service held at Washington County Fair Park on May 15, 2014.

As a member of the Washington County Chiefs of Police Association, it was my pleasure to host this year's event. Your help with the candles and other duties asked of you were very much appreciated. I am grateful that you were able to join us.

Thank you again for taking the time to participate in this important event.

Respectfully submitted,

David A. Groves
Chief of Police

OPERATOR (BARTENDER) LICENSE

Dear Mr. Boivin:

Please be advised that your application for an operator (bartender) license has been reviewed by the Police Department. The Police Chief recommended denial of the issuance of an operator license in accordance with State Statute 125.04 (5)(a) 1 and (b) and Village Ordinance 12.02(6)(b), which state the qualifications for licenses and permits. The recommendation for denial is due to 5 Operating While Under the Influence convictions.

You are hereby notified that the next Public Safety Committee meeting will be held on Monday, June 2, 2014 at 6:00 p.m. at the Germantown Village Hall, N112 W17001 Mequon Road, to provide you with an opportunity to show cause as to why you should be issued a license.

Please contact this office no later than noon on Wednesday, May 28th if you wish to appear before the Public Safety Committee. If I do not hear from you, I will assume that you do not wish to appeal and will forward the recommendation to deny the operator (bartender) license to the Village Board.

Sincerely,

Christine M. Micka, CMC/WCMC

BUSINESS OF THE PUBLIC SAFETY COMMITTEE
GERMANTOWN, WI

VII. B

MEETING DATE: June 2, 2014

AGENDA ITEM: New Business

ITEM TITLE: New Uniforms

SUBMITTED BY: Chief Gary L. Weiss

SUMMARY EXPLANATION:

Last year the members of the GFD voted to replace their Class B Uniforms with a navy blue shirt instead of the powder blue shirts they were currently using. As explained to me, the current shirt was of low quality and required replacement often. This also includes uniform pants as required by contract.

The shirts (uniforms) were in the budget and the cost was below the budgeted amount. The total cost is \$7,136.85. This also leaves money in that line item to purchase additional uniforms for any new members.

ATTACHMENT: ORDINANCE___ RESOLUTION___ OTHER__X__

RECOMMENDATION:

A positive recommendation to the Village Board to approve the purchase of the uniforms as listed.

VILLAGE OF GERMANTOWN

May 26, 2014

Dear Public Safety Committee,

I'm writing this letter to voice my objection to the Old Town Inn patio, over a concern the Village is overlooking. Old Town Inn and the Bier Stube have inadequate parking! During peak times, this directly affects our business. It has become such a problem that I am required to pay an attendant to watch my own parking lot. If I didn't, I would lose parking for my own customers. This makes us look like the bad guys, and has become confrontational, when I'm only protecting what is mine. We didn't remodel for anyone but Ivey's. We welcome there business to the area, it has brought business in for all of us, but Old Town Inn, the Beer Stube and their very large outdoor beer garden has a small parking lot for their employees and customers. There is a limited amount of public street parking, that we all share, but not many. Their 20+ employees parking alone, takes up a good portion of their parking lot. Believe me, this is nothing against Old Town Inn or the Bier Stube, but this is a severe parking problem that needs a solution. I'm sure if they were new construction, they would have to meet parking requirements, but because they are existing, along with their add-ons, this is being overlooked, **DIRECTLY AFFECTING OUR BUSINESS!** Your looking into this problem would be greatly appreciated.

Very Respectfully,

**BUSINESS OF THE PUBLIC SAFETY COMMITTEE
GERMANTOWN, WI**

VII. F

MEETING DATE: June 2, 2014

AGENDA ITEM: New Business

ITEM TITLE: Prospective Improvement of Freistadt-Maple Intersection

SUBMITTED BY: Brionne R. Bischke, P.E., Village Engineer 

SUMMARY EXPLANATION:

Project Characteristics:

- Traffic Study authorized by Public Works & Highway Committee, Jan. 7, 2014
- Traffic Study referred to Public Safety Committee by Village Board, Jan. 20, 2014
- Traffic Study authorized by Public Safety Committee, Feb. 3, 2014
- Traffic Study authorized by Village Board, Feb. 17, 2014
- Consultant (Graef) recommends traffic signal or roundabout alternatives. Two-way and All-way stop control NOT recommended.

Action Needed:

Consultant needs direction from the Committee in order to efficiently finish its report of analyses and recommendations. Actions are needed from both the Public Safety Committee (June 2, 2014) and the Public Works & Highway Committee (June 3, 2014).

ATTACHMENTS:

Shana Brummond (Graef) e-mail, May 15, 2014

RECOMMENDATION:

Direct Graef to proceed with the traffic signal alternative

COMMITTEE ACTION:

Proper parliamentary procedure to deny a request is to have a motion made in the affirmative and by voting NAY would deny the request if a majority vote.

Subject: Freistadt & Maple Intersection Study update

Hi Brionne,

Just wanted to provide an update on the intersection study. The existing traffic analysis shows the north & south approaches currently experience unacceptable operations (Level of Service F) during the morning peak hour with two-way stop control. We recently received the survey & are in the process of evaluating the intersection sight distance. However, I was anticipating you would only consider improvements that provide acceptable traffic operations (LOS D or better) with design year traffic (20 years after construction).

The Year 2035 traffic forecasts were developed based on a 2% annual growth rate & include the proposed manufacturing development in the NE quadrant.

We are looking for your input on the following improvement options that provide acceptable operations with the design year (Year 2035) traffic:

- **Traffic Signal Alt** – Due to the low traffic volumes on Freistadt Road (major street), the existing traffic meets one warrant with 2 lanes on the major street (i.e. 1 lane in each direction). This option would include restriping the 4-lane undivided section to provide 1 through lane in each direction with exclusive left-turn lanes at the intersection. Consider a 3-lane TWLTL section outside of intersection. *It is expected to be approximately 10 years before a signal would be warranted with the existing 4-lane section.*
- **Roundabout Alt** – A dual-lane roundabout would maintain the existing 4 travel lanes on Freistadt Road. We could also evaluate a single lane or hybrid roundabout. For a single lane roundabout, one of the northbound lanes on Maple Road would need to be dropped prior to the intersection.

As part of the alternatives analysis, we have evaluated the following stop control improvement options & do not recommend based on traffic operations/safety.

- **Two-Way Stop Control with Raised Median on Freistadt Road** – Two-way stop control with Freistadt Road approaches to include an exclusive left-turn lane & 1 through lane. The raised median (minimum 18' width) improves capacity by providing 2-stage crossing, but this option results in LOS F operations with Year 2025 traffic. Also, may have to adjust the profile to improve sight distance from the Maple Road approaches (tbd).
- **All-Way Stop Control** – All-way stop control is not recommended due to the 40 mph posted speed limits on the roadways.

Please let us know which options we should proceed with to prepare conceptual layouts & cost estimates. I am in the office all day if you would like to discuss further.

Thanks!
Shana
